Guaranteed Ride Home - We've got you covered!

What is it?

Guaranteed Ride Home (GRH) is designed to provide an 'insurance policy' against being stranded at work in the event an employee needs to make an sudden trip home to tend to an emergency or misses their bus home as a result of being required to work unexpected overtime.

How does it work?

When an employee needs to use a guaranteed ride home, he or she secures a trip home on their own accord. The employee then may submit the expenses, excluding tip, incurred for their trip for full reimbursement. Please see the Participation Guidelines at www.parkcity.org/GRH or email grh@parkcity.org for more details on eligibility and how to collect reimbursement.
