WHAT IS DIAL-A-RIDE?

A reservation-based service to Quinn's Junction. General public passengers with reservations will be picked up or dropped off along the route at the bus stops shown on the back page of this guide. Passengers wishing to travel to other areas in Park City Transit's service area, including Kimball Junction, may transfer to other routes (typically at the Old Town Transit Center).

HOW DO I MAKE A RIDE RESERVATION?

Requests for a ride must be made a *minimum of one hour in advance* by calling 435-640-7819. You will be asked to provide your name, phone number, bus stop (numbers 1-8), the time you want a ride, and number of passengers. All rides are on a space and time available basis, so the more advance notice you are able to provide, the better the chance of accommodating your request. Dispatchers may try to combine ride requests with previously made reservations to accommodate the most passengers possible, so you may be asked to adjust your pick-up time.

AFTER I SCHEDULE A RIDE, THEN WHAT?

The bus driver will make every effort to arrive at the bus stop at the scheduled time. However, the bus will be considered "on-time" if it arrives 10 minutes before or 10 minutes after the scheduled time. As a courtesy to other riders, the bus cannot wait at the stop for more than 5 minutes. We suggest that you arrive at the stop 10 minutes early.

WHAT ARE THE HOURS OF OPERATION?

This free service is in operation seven days a week, from 8:00 AM to 11:00 PM during the winter months, and 8:00 AM to 9:00 PM the remainder of the year.

MAY I SCHEDULE RECURRING TRIPS?

Yes, "standing orders" of up to 30 days may be established. (For example, a school group that has reserved ice time, a practice field after school on specific days, or a medical appointment.)

OTHER IMPORTANT INFORMATION

The purpose of this service is to provide rides between Park City and the Quinn's Junction Sports Complex, including the National Ability Center, People's Health Clinic, Summit County Health Department, Park City Medical Center, Intermountain Park City Clinic and US Ski Team training facility. As a courtesy to others, please cancel your ride when your plans change. A penalty may be imposed if a person demonstrates a pattern of not being at a stop at a scheduled time, and will be considered a "no show." Ride reservations between in-town bus stops will not be provided.
