

To create a myStop user account you must be logged into a standard computer for user authentication.

Steps to create a myStop user account

Step 1: Log on to go.parkcity.org. You may also click on the Bus Tracker link located on our website at www.parkcitytransit.org

Step 2: Click on the words "Log In Here".

Step 3: In the bottom of the pop up box, click on the “Sign up here” text.

The screenshot shows the Park City website interface. At the top right, there are buttons for "Try myStop", "Log In Here", and "GO". A "Login" pop-up box is overlaid on the right side of the map. The pop-up contains the following elements:

- Input field for "user name (email)"
- Input field for "password"
- Link: "I forgot my Username/Password"
- Button: "login"
- Text: "Don't have an account? [Sign up here](#)"

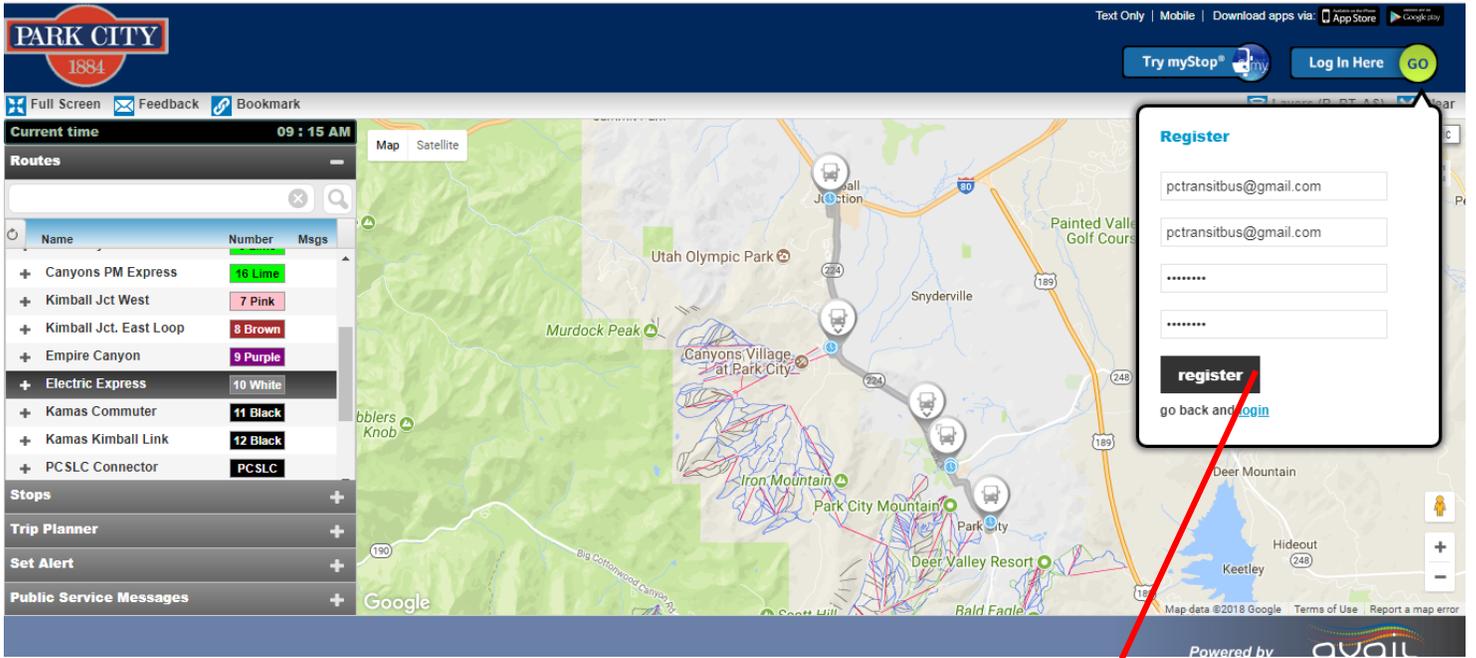

A red arrow originates from the "Sign up here" link in the pop-up and points to the "Sign up here" link in the main website header.

This is a close-up view of the "Login" pop-up box. It features the following text and elements:

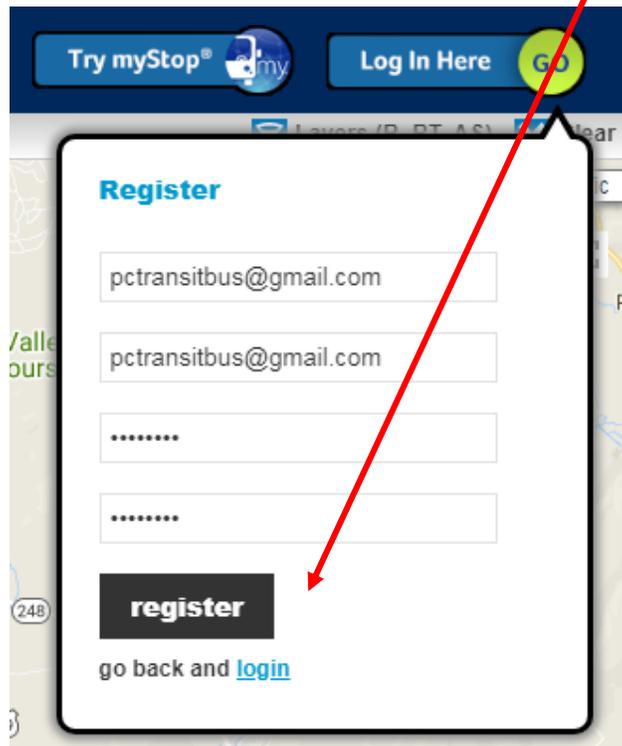

- Header: "Login"
- Input field: "user name (email)"
- Input field: "password"
- Link: "I forgot my Username/Password"
- Button: "login"
- Text: "Don't have an account? [Sign up here](#)"

A red arrow points from the "Sign up here" link in the pop-up to the "Sign up here" link in the main website header.

Step 4: You must provide a valid email address and password to register your account.

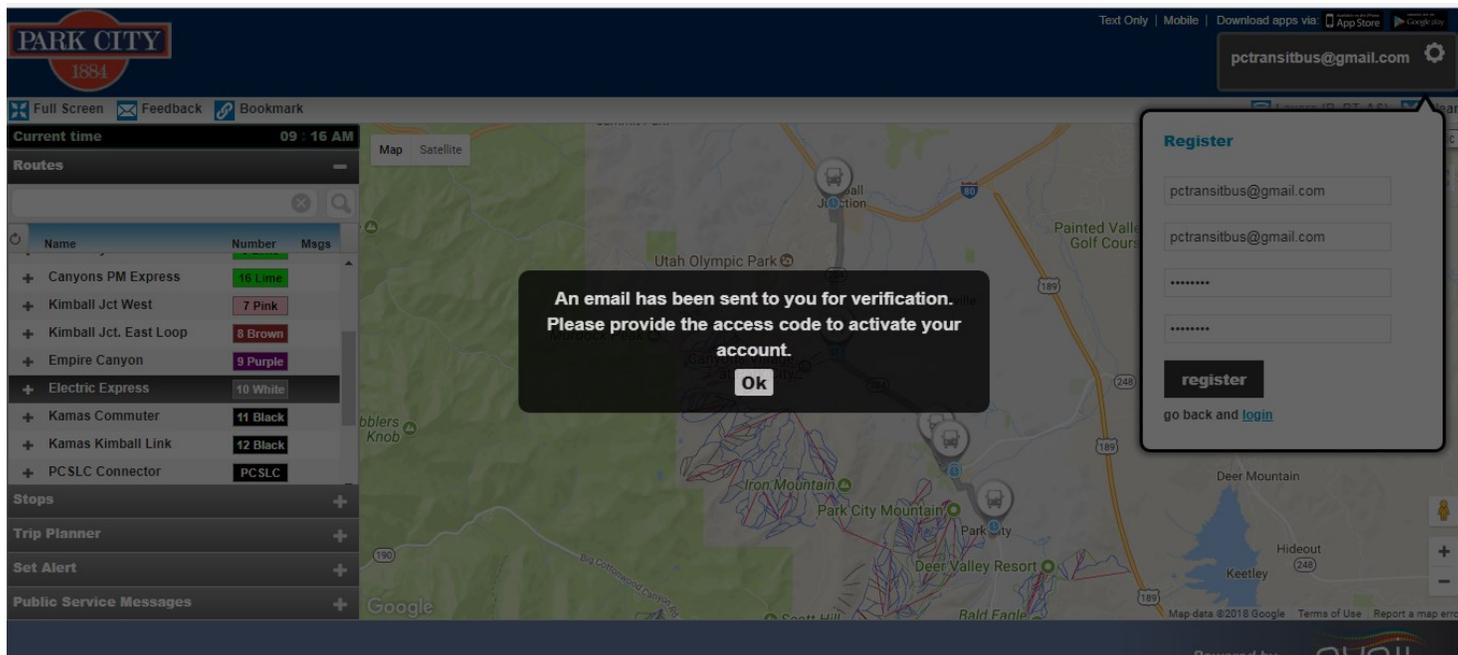

Step 5: Click on the word "Register".

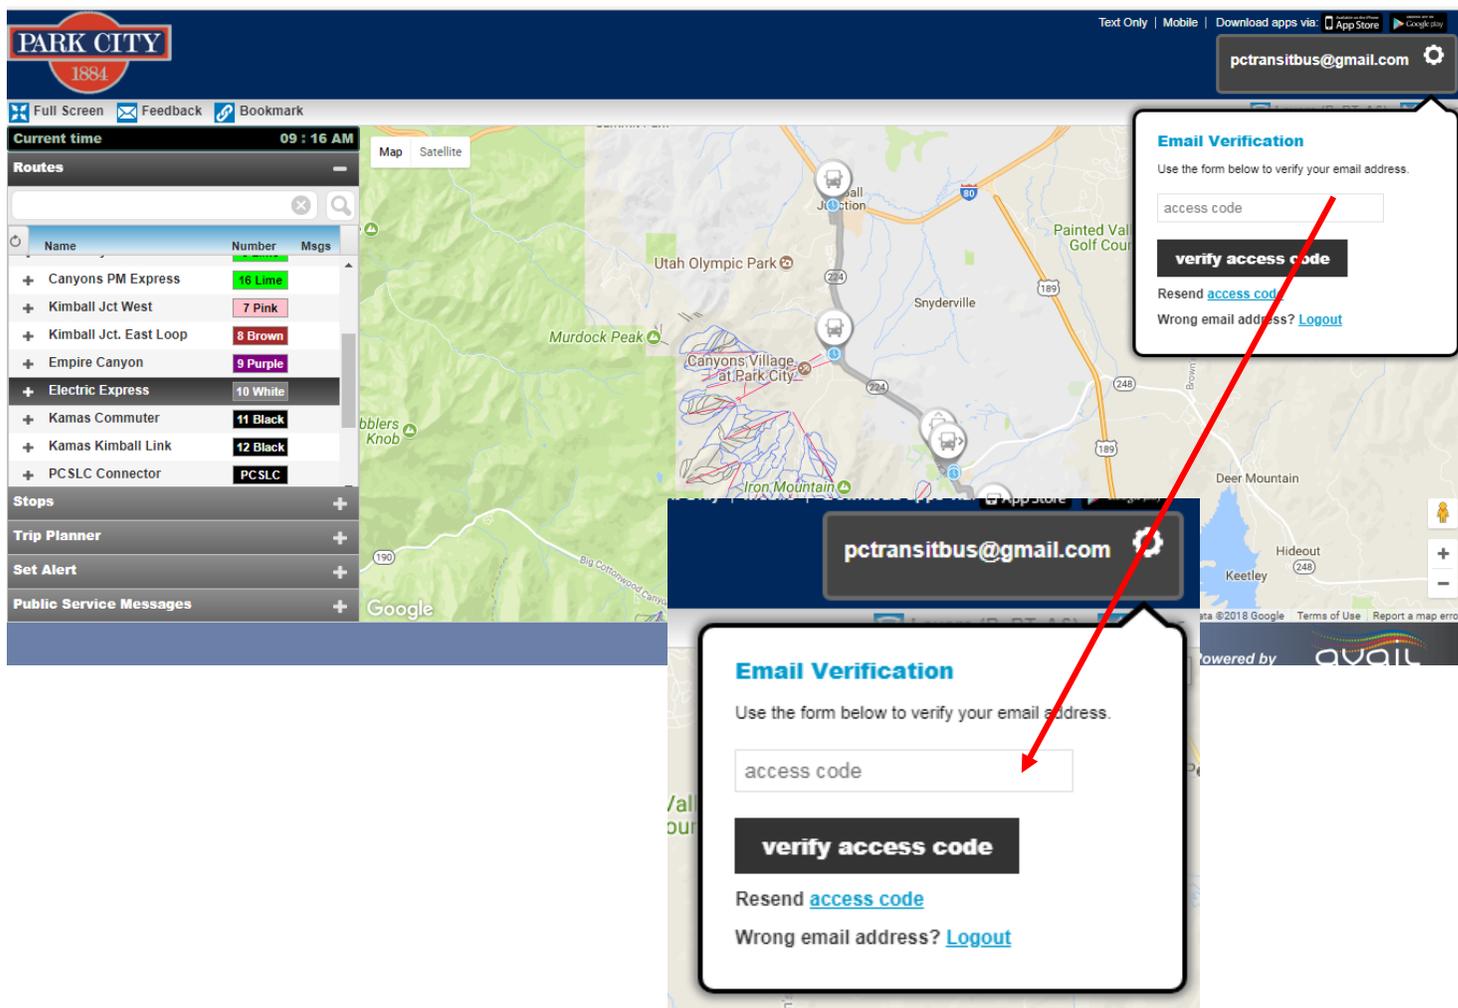

Step 6: A verification email will be sent to you with an account access code. Click "OK."

Note: You will need get the access code from your email account.

Step 7: Input the access code that was sent to your email.

Step 8 : Click on the “verify access code” button.
