SUBMITTAL REQUIREMENTS – All of the following items must be included in order for the Planning Department to take the application.

1. Completed and signed application form.
2. A written statement describing the project that outlines the overall project intent and scope of work. Descriptions shall also indicate the project's compliance with the Development on Steep Slopes Criteria in the Land Management Code (LMC) for the applicable zoning district:
 - HRL – LMC § 15-2.1-6
 - HR-1 – LMC § 15-2.2-6
 - HR-2 – LMC § 15-2.3-6
3. Review fees - \$1330.00 per application.

For items 4 through 10 below, provide (1) 24"x36" set to scale, (1) 11"x17" set to scale, and one digital copy in PDF format

4. Certified topographical boundary survey of the existing site prepared by a licensed surveyor at an approved scale with two foot contours which includes the following:
 - Survey must reflect current conditions
 - existing grades referenced to USGS elevations
 - existing utility locations
 - existing vegetation; size and botanical name noted
 - building footprint(s) of all existing structures and improvements on site
 - drainage facilities
 - on and off-site circulation and parking
 - existing physical encroachments on and off-site
 - all structures within 20' of the subject property; include structure height
5. A proposed site plan prepared by an architect/landscape architect or designer and based on the submitted certified topographic boundary survey drawn at an approved scale with two foot contours which includes the following:
 - Proposed and existing grades referenced to USGS elevations
 - Proposed and existing building footprint(s) of all structures and improvements on site
 - Proposed and existing physical encroachments on and off-site
 - proposed and existing utility locations
 - Proposed and existing vegetation
 - Superimposed building roof plans of all structures on site having ridge lines referenced to existing USGS elevations
 - Proposed and existing drainage facilities
 - Proposed and existing on and off-site circulation and parking
 - Proposed and existing ground surface treatments
 - Top/bottom of retaining walls
 - An aerial photo with the proposed site plan superimposed to scale
6. All floor plans and building sections drawn at quarter-inch scale; include property lines. Identify footprint(s) square footage and square footage of individual story area.
7. All building elevations illustrating the proposed work drawn to quarter-inch scale with the elevations referenced to USGS datum on the submitted site plan demonstrating the following:

If you have questions regarding the requirements on this application or process please contact a member of the Park City Planning Staff at (435) 615-5060 or visit us online at www.parkcity.org.

- USGS datum points indicating existing and proposed
 - Proposed final grade meets 4' of existing grade
 - Measurement line drawn 27 feet above and parallel to the final grade
 - Any additional diagrams necessary to confirm height compliance
8. Four (4) photographic panoramic views of the existing property showing the site from the perimeter of the property at 90 degree intervals.
 9. A streetscape elevation drawn at 1/8" scale (minimum scale) for the project side of the street that indicates the height, width, and building separation for all proposed work in relation to existing surrounding/adjacent buildings. All windows and door openings shall be shown. The drawing shall encompass an area within 100 feet of either side of the subject property (a streetscape drawing may not be required for remodels that do not alter the mass of the existing structure).
 - Photos may replace drawings if to scale
 - Neighborhood model, to scale, may be utilized in place
 10. Landscape plan drawn to scale illustrating proposed locations of plants including botanical names, sizes, and quantities. All pavement, retaining walls, patios, etc. shall be included.
 11. Contextual analysis of visual impact of new construction on adjacent sites (also submit digitally)
 - Graphic must illustrate the proposed development/structure superimposed in a photo or computer model.
 - Images must be viewed from the Right-of-Way taken at 30° - 60° angles from the face of the proposed structure to show massing and adjacent buildings.
 - Cross canyon views of superimposed proposed development.
 12. The applicant should be aware that there might be a request to provide presentation material for Planning Commission meetings. The presentation material may include the following:
 - Presentation materials; electronic/boards
 - Colored elevations and/or perspectives
 - Photographs/graphic illustrations
 - Massing models
 - Additional studies (i.e. Fog Study, Shadow Study, Cultural Survey)
 13. An electronic Excel spreadsheet with property owner, Summit County Assessor Parcel Number, and mailing address for properties within 300 feet, measured from the property line.

ACKNOWLEDGEMENT OF RESPONSIBILITY

This is to certify that I am making an application for the described action by the City and that I am responsible for complying with all City requirements with regard to this request. This application should be processed in my name and I am a party whom the City should contact regarding any matter pertaining to this application.

I have read and understood the instructions supplied by Park City for processing this application. The documents and/or information I have submitted are true and correct to the best of my knowledge. I understand that my application is not deemed complete until a Project Planner has reviewed the application and has notified me that it has been deemed complete.

I will keep myself informed of the deadlines for submission of material and the progress of this application. I understand that a staff report will be made available for my review three days prior to any public hearings or public meetings. This report will be on file and available at the Planning Department in the Marsac Building.

I further understand that additional fees may be charged for the City's review of the proposal. Any additional analysis required would be processed through the City's consultants with an estimate of time/expense provided prior to an authorization with the study.
