Celebrate our past, be creative, and win prizes! As part of Park City's Historical Preservation festivities in June, children are invited to participate in an art contest as the community recognizes our historic structures.

**The art contest is open to children, ages 4 through 12.**

### **How to Enter:**

Pick your favorite historic building; for example, a silver miner's house, a main street store, a theatre, or even a school. Then let your imagination loose as you draw, paint, color, or illustrate a place that matters most to you.

1. Draw, paint, color, or illustrate a picture of your favorite historic building in Park City on 11"x17" paper; available at the Park City Library.
2. Submit your art work to the **Park City Library** by **Saturday, June 1, 2013 at 5pm.**

### **Awards Celebration:**

**On Wednesday, June 5<sup>th</sup> at 5:30pm**, Park City Ghost Tours will kick off the celebration with scary tales of the past, followed by a raffle drawing of the art contest participants. Prizes are sponsored by the Park City Museum and Historic Park City Association.
