

The following is the Identity Theft Prevention Policy:

A customer may open a PCMC utility account by appearing in person to complete a Water Service Agreement or by mailing or faxing a fully executed and notarized Water Service Agreement. As a precondition to opening a covered PCMC utility account, each applicant shall provide PCMC staff or a notary public with personal identifying information of the customer which shall be in the form of a valid state or federal government issued identification card, such as a state issued driver's license, a state issued identification card, a U.S. government issued passport or visa, or a U.S. military identification card, all of which must contain a photograph of the customer. For customers who are not natural persons such as a trust, the customer's agent opening the account must provide a valid state or federal government issued identification card and proof of authority to act on behalf of the trust.
