Park City Water Department Energy Management and System Optimization study

ADDENDUM No. 3

Clarifications:

1. Page 6 of the RFQ states “All questions about the insurance requirements or indemnification language found in Paragraphs 7 and 8 of the sample contract must be resolved prior to submitting an SOQ.” All submitters are reminded of this language, and the need to resolve any issues with Paragraphs 7 and 8 prior to submitting an RFQ. Failure to do so will result in a non-conforming submittal.
