

Blue Ribbon Housing Commission Agenda
October 26, 2015
Park City Library, Room 201

1. Welcome & Introductions

2. Commission Role, Housing Overview Presentation & Discussion

Ms. Robinson explained Council's mandate in February. Right now, 5.3% of housing stock is permanently deed-restricted. By 2020 (in five years) Council's goal is to raise this to seven percent which is a total of 184 new units over the next five years. City Council has committed \$40M to achieve this goal.

Commission Role:

"Provide community perspectives on current housing-related issues, as well as review and provide input to the city's consultant Economic and Planning Systems on recommended updates to existing policies, resolutions and codes."

3. Review of Housing Binder

The following documents will be emailed and/or brought to the next meeting:

- Chart of all existing units and what income levels are being served.
- Economic and Planning Systems (EPS) Scope of Work
- Summit County Housing Assessment completed in 2012
- Roster of Commission members

4. Proposed Initial Meeting Schedule & Meeting Topics

- It was determined that the group will meet according to the following calendar:
 - 4:30 to 6 pm each meeting
 - 1st & 3rd Monday (November 2nd & 16th)
