

McPolin Barn Structural Upgrades

Questions and Answers

Q. RFQ Section VIII. Submittal Requirements: Subsection B. states “At minimum the owner/principal/project manager shall have a current State of Utah B-100 and E-100 License.” Is the E-100 license required on this project where the work is primarily a structure s for the support, shelter, and enclosure of persons, animals, chattels...

A. According to Utah Code 58-55-102 Definitions. Subsection (22) (b) A general engineering contractor may not perform construction of structures built primarily for the support, shelter, and enclosure of persons, animals, and chattels. Any firm considering submitting qualifications with a State of Utah B-100 license will not be disqualified. At minimum any owner/principal/project manager shall have a current State of Utah B-100 License.
