

**NOTICE
REQUEST FOR QUALIFICATIONS
ENGINEERING SERVICES
for a
NEW PUBLIC UTILITIES AND STREETS FACILITY**

PROJECT DESCRIPTION: Park City, Utah is requesting Statements of Qualifications from qualified professional engineering firms to assist the City in the site development of a new Public Utilities and Streets Facility. The Project will address immediate and long-term space considerations for the City and is to be constructed at a new 12.8 acre site. The Project is anticipated to consist of multiple buildings which will serve Public Utilities administration, operations, and vehicle/equipment/materials storage needs as well as a raw water operational storage basin.

The proposal requirements, key elements of the project, and the anticipated project services are described in the RFQ package.

PROPOSALS DUE: 4:00 p.m. local time, **April 7, 2016**, at the Park City Public Works Offices, 1053 Iron Horse Drive, Park City, Utah 84060
