REQUEST FOR PROPOSALS
for
CONSTRUCTION MANAGER/GENERAL CONTRACTOR
for
QUINNS JUNCTION WATER TREATMENT PLANT UPGRADES**

PROJECT DESCRIPTION: Park City Municipal Corporation (City), located in Summit County Utah, is soliciting written Proposals from qualified contractors for the purpose of providing construction related services for process and facility upgrades to the existing Quinns Junction Water Treatment Plant under a CM/GC delivery system ("Project"). The Project is intended to provide a treatment process capable of meeting drinking water criteria and discharge requirements for changing influent raw water quality conditions, provide upgrades consistent with achieving a treatment design capacity rating of 3.0 MGD based on raw water quality parameters and City stated treated water quality goals, and improve water treatment facility energy efficiency with an overall goal of net zero energy buildings.

The proposal requirements, project objectives, and key elements of the project are described in the RFP package.
