THINC (Treasure Hill Impact Neighborhood Coalition) is a 501c(3) non-profit organization. Founded by Brian Van Hecke and a few members of Park City's residential community in response to the threat of the development of Treasure Hill, THINC now consists of hundreds of Park City's residents. The group includes residents, business owners and homeowners from all over Park City including Park Meadows, Pinebrook, Thaynes Canyon, and Old Town. THINC's collective mission is to raise public awareness and to help initiate action in order to preserve and protect Park City's Historic Old Town.
