

INVITATION TO PREQUALIFY
PREQUALIFICATION OF GENERAL CONTRACTORS
FOR
PARK CITY MUNICIPAL CORPORATION
CREEKSIDE WATER TREATMENT PLANT

PROJECT DESCRIPTION: Park City Public Utilities Department is currently prequalifying contractors for the upcoming Creekside Water Treatment Plant construction scheduled for 2017. The Project includes the construction of a new 2,650 sf well treatment building, which replaces two existing wellhouses, to facilitate a well source water filtration system and disinfection system upgrade. The completed project will provide the City with a facility capable of treating two existing wells, the 1,000 gpm Park Meadows well and the 1,000 gpm Divide well, to State of Utah drinking water standards.

The prequalification proposal requirements and a more detailed description of key elements of the project are described in the prequalification package.
