

**NOTICE
REQUEST FOR QUALIFICATIONS
FOR
PCMC-JSSD INTERCONNECTION
IMPROVEMENTS PROJECT
ENGINEERING SERVICES**

PROJECT DESCRIPTION: Park City Municipal Corporation (City), located in Summit County Utah, is soliciting written Statements of Qualifications (SOQ) from qualified consulting engineering firms for the purpose of providing professional engineering services for pump station and transmission pipeline design and construction administration services ("Project"). The Project is intended to address energy efficiency and water source redundancy aspects of Park City's Water System by reconfiguring the existing potable water interconnection between Park City Municipal Corporation (Park City) and Jordanelle Special Services District (JSSD).

The proposal requirements, project objectives, and key elements of the project are described in the RFQ package.

PROPOSALS DUE: 4:00 p.m. local time, November 18, 2016, at the Park City Public Works Offices, 1053 Iron Horse Drive, Park City, Utah 84060
