

INVITATION TO PREQUALIFY
PREQUALIFICATION OF GENERAL CONTRACTORS
FOR
PARK CITY MUNICIPAL CORPORATION
DEER CREST PUMP STATION AND TRANSMISSION LINE

PROJECT DESCRIPTION: Park City Public Utilities Department is currently prequalifying contractors for the upcoming Deer Crest Pump Station and Transmission Line construction scheduled for 2018-2019. The project consists of the construction of a new 1,000 sf buried cast-in-place concrete potable water pump station and the installation of 1,600 feet of new 16" diameter DR7 HDPE transmission pipeline aligned within an existing ski run located in Deer Valley Resort.

The prequalification proposal requirements and a more detailed description of key elements of the project are described in the prequalification package.

PROPOSALS DUE: **4:00 p.m. local time, Thursday, September 21, 2017**, at the Park City Public Works Offices, Attn: Nick Graue, Public Utilities Engineer, 1053 Iron Horse Drive, Park City, Utah 84060.

PROJECT NAME: DEER CREST PUMP STATION AND TRANSMISSION LINE

REQUEST FOR PREQUALIFICATION PACKAGE AVAILABLE: Wednesday, August 23, 2017, **by request via email to nick.graue@parkcity.org** or at the Park City Public Works Office, 1053 Iron Horse Drive, Park City, Utah 84060.

PROJECT LOCATION: Park City, Utah

OWNER: Park City Municipal Corporation, P.O. Box 1480, Park City, Utah 84060

CONTACT: Nick Graue, Public Utilities Engineer
E-mail: nick.graue@parkcity.org

Park City reserves the right to reject any or all proposals received. Furthermore, the City shall have the right to waive any informality or technicality in prequalification proposals received when in the best interest of the City.
