Subject: Kimball roof top party deck

Honorable Council,

My husband David and I live at 287 McHenry Ave. and are communicating to you our input regarding the application for a CUP for a roof top private event center at the Kimball Garage. We strongly urge you to refuse approval of a conditional use permit for a "party deck" on Historic Main Street and Heber Avenue. This is certainly not a hardship and would undoubtedly create increased traffic and noise pollution in this already sensitive area of historic Park City.

Thank you, David and Patricia Constable
