Dear members of the Planning Commission,

As a resident of Old Town, I am concerned about the noise that will be generated from rooftop events at the private event facility in the Historic Kimball Garage. I know how noise travels up to Woodside Ave.

If noise from the Kimball Garage rooftop becomes a regular occurrence, it will be a significant disincentive to full-time residents staying in Old Town, and an obstacle to the City's goal of retaining owner-occupied residences. Please do not grant this private event facility unlimited use of the rooftop for events. Allow the City to maintain control and discretion over outside events.

Thank you very much.

Sincerely,  
Jill Lesh
