To whom this may concern,

As a full time resident of Park City for many years and an employee of a local nonprofit my two cents is to deny CPP Kimball LLC the CUP they have requested. Park City's noise ordinance is one of the reasons I enjoy living here and I find the level of growth and strain on our town to be a burden that we should not exacerbate.

I would prefer to see CPP Kimball LLC focus on how they can assist with the housing crisis and creating sustainable jobs for the local service industry workforce.

Kindly,

Meaghan Miller-Gitlin
