RE: Business Parking Permits

Dear Business Parking Permit Holder,

We wanted to notify you of upcoming changes related to business parking permits.

Blue Business parking permits will expire on December 15, 2018. To obtain a new permit, please complete the application included with this letter. Then bring it in with the specified current and valid documents to Public Works at **1053 Iron Horse Dr.** OR email it to parking_permits@parkcity.org. We will have your permit ready for pickup or mail three business days later.

Please take note of the following:

1. One Blue Business permit will be available for purchase per Main Street business. Once each business is given opportunity to purchase, businesses may request and purchase more permits based on availability.
2. All parking tickets must first be paid to receive a permit.
3. Permits will only be evaluated and processed if the requirements are **complete**.
4. You must be an owner of a business in the Main Street core area.
5. This permit allows you to park in China Bridge parking structure and Gateway upper level.
6. Permits do not guarantee parking availability.
7. **We require you to bring or present your old permit along with the other requirements.**

Please note that 2019 business license is required to purchase a Blue Business Permit; we will not accept the previous year or 2018. This permit is transferable and allows for parking during all hours including weekends. This permit **is not** valid during major events although alternate parking may be provided. The cost of this permit is \$400.

In line with the new parking system, ***free parking and transportation for Main Street employees*** will be offered at the Homestake Employee Parking Lot, 1875 Homestake Road.

Employee Homestake Parking Registration:

We offer a free Park-and-Ride service operating from the Homestake parking lot located at 1875 Homestake Drive. Shuttle service is scheduled to run from noon to 4:00 am at estimated 10-minute intervals. Employees planning to use this service will be required to register their vehicles. In order to ensure this lot is preserved for employees, unregistered vehicles may be ticketed. Parking at the Homestake Lot will be restricted from 4:00 am to 7:00 am for snow removal.
