**DEER VALLEY RESORT TWELFTH AMENDED AND RESTATED
LARGE SCALE MASTER PLANNED DEVELOPMENT PERMIT
November 30, 2016**

WHEREAS, Royal Street Land Company, a Utah corporation ("Royal Street") heretofore submitted to the Planning Commission of Park City ("Commission") certain items with relation to a residential, commercial, and recreational development project known as Deer Valley / Lake Flat Area Development ("Project") which items were listed in the original Permit granted for the Project by Commission and are incorporated herein by reference; and

WHEREAS, Commission found that such items submitted by Royal Street complied with and satisfied all applicable requirements of the Park City Land Management Code as then in force, to permit the construction of the Project as a planned unit development pursuant to the planned unit development exception then contained in the Park City Land Management Code; and

WHEREAS, Commission heretofore issued to Royal Street a Special Exception Permit dated September 27, 1977, with relation to the Project, which Special Exception Permit was amended by an Amended Special Exception Permit dated June 27, 1979 issued to Royal Street and by a Second Amended and Restated Special Exception Permit dated January 27, 1982, a Third Amendment to Special Exception Permit dated May 17, 1984, a Fourth Amendment to Special Exception Permit dated February 21, 1985, a Fifth Amended and Restated Special Exception Permit dated December 23, 1986, a First Amendment to Fifth Amended and Restated Special Exception Permit dated November 29, 1989, a Second Amendment to Fifth Amended and Restated Special Exception Permit dated April 11, 1990, a Sixth Amended and Restated Special Exception Permit dated October 10, 1990, a Seventh Amended and Restated Large Scale Master Planned Development Permit dated April 14, 1993, an Eighth Amended and Restated Large Scale Master Planned Development Permit dated April 25, 2001, a Ninth Amended and Restated Large Scale Master Planned Development Permit dated June 28, 2006, a Tenth Amended and Restated Large Scale Master Planned Development Permit dated August 12, 2009, and an Eleventh Amended and Restated Large Scale Master Planned Development Permit dated March 23, 2011, which were issued to Deer Valley Resort Company ("Permittee"), as assignee and successor to the rights of Royal Street under the Special Exception Permit; and

WHEREAS, Permittee and Commission desire to further amend and restate the Large Scale Master Planned Development Permit to reflect actions approved by the Commission with respect to the combination of vacant Deer Valley MPD Silver Lake Village Lots F, G, and H into one Lot I and to transfer 843 square feet of existing residential density (0.4215 unit equivalents (UE)) from Deer Valley MPD Silver Lake Village Lot D (existing Goldener Hirsh Inn) to the new Deer Valley MPD Silver Lake Village Lot I, to accommodate connection, access and circulation between the Goldener Hirsch Inn on Parcel D and the future Goldener Hirsch Residences proposed on Parcel I.

WHEREAS, Permittee has requested modification to the Large Scale Master Planned Development Permit and Commission is willing to grant said modifications as herein set forth; and

WHEREAS, Commission finds that it is in the best interest of Park City and its citizens that Permittee be granted the right to construct and develop the Project as a Master Planned Development in accordance with the Park City Land Management Code passed and adopted December 22, 1983, effective January 1, 1984 as the same has been amended by Ordinance to the date hereof (herein designated the "Code") and in accordance with the Large Scale Master Planned Development Permit as amended and restated hereby.

NOW THEREFORE, the Large Scale Master Planned Development Permit is hereby amended and restated to authorize and grant the right, and Permittee is hereby authorized and granted the right, to develop and construct the Project, subject to Planning Commission approval of any required Conditional Use Permits for site specific development and City Council approval and recordation of any required subdivision plats, as outlined and detailed in this: (A) Twelfth Amended and Restated Large Scale Master Planned Development Permit ("Permit") including the Exhibits hereto and those documents and items submitted by Permittee as aforesaid, as a Master Planned Development pursuant to the Master Planned Development provisions contained in the Code; and, (B) the Agreement dated July 12, 1978, between Park City, as "City", and Royal Street, as "Royal Street", as amended by an Amendment to Agreement dated May 29, 1978, a Second Amendment to Agreement dated April 3, 1980, a Third Amendment to Agreement dated August 21, 1980, as amended and restated in its entirety by a Fourth Amendment and Restatement of Agreement, a Fifth Amendment to Agreement dated May 17, 1984, and a Sixth Amendment to Agreement dated February 21, 1985, and all subsequent amendments, which are all incorporated herein by reference and which Agreement as so amended is herein referred to as the "Agreement", and as such Agreement may hereafter be further amended from time to time. Park City is hereinafter referred to in this Permit as "City".

A. **Densities.** For purposes of determining densities in the Project:

(1) Insofar as the following portions of the Project are concerned, the authorized densities shall be as follows:

<u>Parcel Designation</u>	<u>Authorized Dwelling Units</u>
Northwest Multi-Family (Fawn grove)	80
North Entrance Multi-Family (Pinnacle)	40
North Hillside Multi-Family (Pinnacle)	46
Southwest Multi-Family (Aspenwood)	30
Southwest Multi-Family (Courchevel)	13.5
Northwest Hillside Multi-Family (Daystar)	24
South Entrance Multi-Family (Stonebridge)	50
South Multi-Family (Lakeside)	60
West Multi-Family (Pine Inn and Trails End)	40
Total	383.5

For purposes of determining densities on the parcels designated in this Subparagraph (1), a single family home or an apartment containing two bedrooms or more constituted a dwelling

Unit, a one-bedroom apartment constituted one-half of a dwelling Unit, and a hotel room or lodge room constituted one-half of a dwelling Unit. The parcels in this subparagraph have all been developed as of the date hereof.

(2) Insofar as all portions of the Project other than the nine parcels containing 383.5 dwelling Units identified in Subparagraph A. (1) above are concerned, an apartment Unit containing one bedroom or more shall constitute a dwelling Unit and a hotel room or lodge room shall constitute one-half of a dwelling Unit.

(3) If approved in advance by Commission and Permittee, the owner of any development parcel in the Project shall have the right to have the densities permitted on said development parcel calculated in accordance with Subparagraph A. (1) or Subparagraph A. (2) above and/or with Exhibit 1 attached hereto (whichever is applicable) or in accordance with the Unit Equivalent formula contained in Section 10.12 of the Code, as said Unit Equivalent formula may from time to time be amended or modified. In the event of election of an owner to utilize said Unit Equivalent formula and approval thereof by Commission and Permittee, the maximum number of Unit Equivalents which may be contained in the structures built upon said development parcel shall not exceed the permitted number of dwelling Units to be constructed thereon determined in accordance with Subparagraph A. (1) or Subparagraph A. (2) above and/or with Exhibit 1 attached hereto (whichever is applicable) and the number of Unit Equivalents as constructed on said development parcel shall for all purposes hereof be deemed the number of units constructed thereon. Approval of use of the Unit Equivalent formula by Commission and Permittee shall not, and cannot, alter or release any private land use covenants between the owner and Deer Valley, or others, concerning development of the property or the density permitted thereon.

(4) Insofar as the following portions of the Project are concerned, the authorized densities, permitted on the development parcels are required to be calculated in accordance with the Unit Equivalent Formula contained in Section 10.12 of the Code as said Unit Equivalent formula may from time to time be amended or modified:

<u>Parcel Designation</u>	<u>Authorized Unit Equivalents</u>
Snow Park Village	209.75
Total	209.75

B. Unit Size. Except for units with relation to which the owner elected or elects to or is required to utilize the Unit Equivalent formula, there shall be no size limitation for Units constructed on any parcel provided that following construction the parcel proposed to be developed contains a minimum of 60% open space and otherwise complies with MPD and all applicable zoning regulations.

C. Development Parcel Designations. Development parcel designations, prescribed densities, parcel sizes, building height limitations (the height limitation for each parcel will be determined by reference to the Code in effect at time of application for approval of the development of the parcel) and the status of development of the parcels as of the date hereof are reflected on Exhibit 1. Permittee shall have the right to develop a total of 2,110 residential Units (exclusive of employee housing Units) within the Project. Permittee shall have the right to develop 209.75 Unit Equivalents within the Snow Park Village, subject to the conditions and

requirements of the Park City Design Guidelines, the Deer Valley Design Guidelines, and the following:

(1) **Conditional Use Review.** Prior to the sale by Permittee of the Snow Park Village, Permittee shall submit a site-specific plan with relation to such parcel to the Commission requesting approval for construction on the parcel. In addition, the Permittee shall request the establishment of building site conditions with relation to the parcel. Accordingly, Permittee or persons acting on its behalf shall file with the Community Development Department of City a completed application form supported by the information set forth in Section 15-6 of the Code, as the same may be amended from time to time. The procedure for the approval or disapproval of any site-specific plan shall be based upon the provisions of this Permit and the conditional use criteria of the Code in effect on the date of application. Components of the Project, other than land development parcels, are listed on Exhibits 2 and 3.

D. Subdivision of Development Parcels. Prior to the sale of any individual lots on any parcel listed on Exhibit 1 developed for residential use as a "subdivision" as defined by the City subdivision ordinance and state statute, the party electing to establish a subdivision on said parcel shall comply with all applicable provisions of the City subdivision ordinance in effect at the time of application. The procedure for the approval or disapproval of any subdivision application shall be based upon the procedure provided in the City subdivision ordinance in effect at the time of application.

Prior to the filing of a record of survey map and declaration of condominium to establish a condominium on any parcel listed on Exhibit 1, the party electing to establish a condominium shall comply with all applicable provisions of any City condominium ordinance in effect at the time of application. The procedure for the approval or disapproval of any condominium shall be based upon the Utah Code and any City condominium ordinance in effect at the time of application.

E. Applicability of Sensitive Area Overlay Zone. For projects within the Deer Valley Large Scale Master Planned Development, the density limitations of the Sensitive Area Overlay Zone do not apply because Master Planned Developments approved prior to the adoption of the Sensitive Area Overlay Zone are vested in terms of density. Site planning standards can be applied only to the extent that they do not unequivocally reduce vested density. Limits of disturbance, vegetation protection, and building design standards do apply.

F. Relationship to National Standards. The provisions of the Code and any other applicable zoning and development ordinances including national standards with respect to engineering or building requirements as adopted by City, in effect in City on the date hereof, shall govern the development within the Project, except as otherwise provided herein.

G. Off-Street Parking. Parking required with relation to each portion of the Project shall be based upon Code as in effect at the time application for a building permit for such portion of the Project as is filed with City. For purposes of calculating required parking, the Project shall be deemed to be zoned Residential Development District (RD) Master Planned Developments (MPD). Parking for each separate development parcel in the Project shall be determined in accordance with the Code at the time of application for Conditional Use approval. Any additional parking shall not encroach into zoned open space.

If the capacity of the surface parking lots in the Snow Park Community is exceeded on 10% or more of the days during any single ski season the need for constructing additional parking in said area shall be reviewed by the Commission.

H. Commercial Space, Support Commercial, and Meeting Space. Exhibit 2 hereto lists commercial and support space allotted to the Project. The General Snow Park Commercial category is restricted in utilization within the Project to the following parcels in the Snow Park area:

- Pine Inn Multi-Family Parcel
- Snow Park Lodge Multi-Family Parcel (Black Diamond Lodge)
- Snow Park Village (Combination of Snow Park Hotel Parcel and Snow Park Parking Area Parcel)
- Snow Park Day Center Parcel

Utilization of portions of the General Snow Park Commercial category within any of the above listed parcels is subject to the specific approval of both Permittee and Commission.

In addition to the Exhibit 2 Commercial Space permitted in the Project, Support Commercial shall be permitted and used as defined in the Code, as amended, at the time of application.

I. Employee Housing. Permittee has been required to cause the development of 112 employee (affordable) housing units pursuant to prior editions of this Permit. Prior to the date of this Permit, Permittee has developed or caused to be developed units qualifying under the low and moderate income housing exception of the Code as follows:

<u>Project Location</u>	<u>Number of Qualifying Units</u>
A. Units in Deer Valley:	
Little Belle Manager Unit	1
Stag Lodge Manager Unit	1
Sterlingwood Manager Unit	1
Bald Eagle Caretaker Units	2
Mt. Cervin Manager Unit	1
Deer Valley Club Manager Unit	1
B. Units Other Than in Deer Valley:	
Parkside Apartments	42
Fireside Apartments / Condos	42
Washington Mill Apts.	8
Peace House	3
Aspen Villas / Silver Meadows (Participation)	9
Fawn grove Employee Unit	1
Total	112

Deer Valley shall be obligated to comply with all applicable ordinances of City relating to the creation and construction of employee housing, including ordinances that are adopted after the date of this Permit. Deer Valley will be given credit for the previously developed units

identified above when computing the employee housing obligation under applicable ordinances. The City acknowledges full satisfaction of Deer Valley's current obligation in the Employee Housing Agreement dated October 6, 1995 executed in conjunction with Deer Valley's contribution to the Silver Meadows project. If, at the time a new employee / affordable housing ordinance is adopted, the number of existing employee / affordable housing units built by Deer Valley or persons acting on its behalf exceeds the number of units required by the new ordinance, credit shall be given against the ordinance imposed obligation, but in no event shall City be obligated to reimburse Deer Valley for any excess, or to permit the assignment of the excess to other parties with a similar employee housing requirement. If, at the time a new employee / affordable housing ordinance is adopted, the number of existing units built by Deer Valley or those acting on its behalf falls short of the newly imposed ratio of employee units to conventional units, Deer Valley agrees to be bound by the provisions of the newly adopted ordinance; provided, however, that the new ordinance shall apply only to those Units on which site specific approval is granted after the adoption of the employee / affordable housing ordinance.

J. Technical Reports. Permittee shall submit updated technical reports with regard to traffic monitoring, water systems, and sewer systems for review by Commission as significant changes occur in those systems and as needed for specific project review as required by the Community Development Director and Public Works Director prior to density approval.

K. Public Use of Ski Facilities. Use of all ski facilities shall be open to the general public and shall not be restricted to owners of property located in Deer Valley or to members of any private club. Furthermore, all charges, fees and costs paid by the general public for the use of such facilities shall not exceed the charges, fees and costs paid by owners of property located in Deer Valley.

L. Trails .There are 4 types of trails in Deer Valley:

- (1) Bicycle paths located within street rights-of-way;
- (2) Pedestrian paths connecting parcels together within a community;
- (3) Connecting paths connecting communities together; and
- (4) Hiking trails to provide access to the mountain.

Bicycle paths shall be located within street rights-of-way dedicated to City and shall be operated and maintained by City as shown on the Deer Valley Trails Master Plan and the City Trails Master Plan.

Pedestrian paths shall be hard surfaced, a minimum of five feet wide, a maximum of six feet wide and built to public sidewalk specifications. These paths shall connect development parcels together and connect development parcels to commercial nodes. At the time of conditional use approval of a particular development parcel, the developer of said parcel shall provide a pedestrian path across said parcel connecting to the paths on the adjoining parcels. The location of these paths shall be determined by the parcel developer and by City staff with the Deer Valley Trails Master Plan used as a guide. The locations shall be modified as necessary to take into consideration topography and existing trails, and shall tie into the bus system which serves Deer Valley. These paths shall form a year-round system. Maintenance shall be the responsibility of the parcel owner. A 10 to 15 foot wide easement (easement size

shall be determined at the time of site specific conditional use approval) for each pedestrian path shall be dedicated to City and is required to be shown on the recorded plat for the applicable development parcel.

It is recognized by the parties that the property within the Deer Valley Resort is private property. Public access to ski runs is at the discretion of Permittee. Summer public access and non-destructive summer use which includes casual hiking on ski runs shall be allowed by Permittee subject to reasonable rules and regulations.

In the event that City in its sole discretion determines that City should hold any easements for hiking, City shall make a request that an easement be granted for any or all of the hiking trails that City desires to hold within or adjacent to ski runs shown on the Trails Master Plan. In the event that City obtains a formal agreement, City agrees to maintain such hiking trails, and Permittee will provide legal descriptions, signage and grant to City an easement (minimum of 10 feet to maximum of 15 feet wide) to maintain such hiking trails without hard surface and without winter maintenance. If City desires to upgrade the hiking trails beyond that which currently exists, City agrees to bear the cost of those improvements. The Trails Master Plan shall serve as a general guide in determining the final location of said hiking trails. In the event City obtains and holds formal easements for hiking trails, City shall indemnify and hold Permittee and its successors and assigns harmless from and against any loss, damage, injury or responsibility with relation to any such trail and any claims, demands or causes of action from any person resulting from injuries sustained while utilizing any hiking trails for which City has obtained and holds easements. Said public easement shall also be subject to such additional reasonable rules and regulations as Permittee deems appropriate to eliminate possible interference with the operation and maintenance of the ski resort, or in the interest of safety or security.

M. Open Space. With the exception of those parcels identified on Exhibit 1 and those areas and items listed on Exhibit 2 as "commercial and support space", all remaining property in the Project is hereby designated "landscaped open space" as that term is defined in the Code as presently in effect and shall remain substantially free from structures, roads and parking lots except as otherwise approved by City or permitted by the Code as presently in effect. The "landscaped open space" shall be maintained and operated by Permittee at Permittee's sole cost and expense.

N. Fire Considerations. All buildings or structures located within the Bald Eagle, Silver Lake, and North Silver Lake Communities shall be fire sprinkled in accordance with UBC 38-1-82.

O. Water Improvements .Permittee agrees that, as a condition of and concurrently with issuance to Permittee of a building permit for the construction of any buildings or structures comprising a portion of the Project, Permittee shall be obligated to agree in writing to construct and convey to City storage facilities, pumping facilities, and transmission lines, as agreed upon and approved by the Public Works Director and City Engineer at the time of issuance of said building permit, to the extent necessary to store and transmit culinary water, irrigation water, and water for fire flows to the buildings and structures covered by the building permit and to connect the same to the water system of City, and shall evidence to the satisfaction of City the ability of Permittee to comply with such agreements.

Permittee agrees that completion of the action required by this Section O with relation to any building or structure included in the Project shall be deemed a condition precedent to the

right to occupy and utilize the building or structure. Commission and Permittee agree that the general level of water facilities construction for the Project required by this Section O has been heretofore accomplished by Permittee.

The existing agreement relating to water rights and water facilities for Deer Valley development entered into November 17, 1988 between Permittee as "DVRC", Royal Street as "Royal Street", and City as "Park City" and the Deer Valley Water Facilities Improvement Agreement dated March 31, 1994 between City, Royal Street and Permittee (as "DVRC") and the Amendment to the 1994 Deer Valley Water Facilities Improvement Agreement dated May 12, 2006 between City as "Park City", Royal Street and Permittee (as "DVRC") are made a part of this Permit by reference.

P. Sewer Considerations .Although City has no responsibility for sewer approvals; the Snyderville Basin Sewer Improvement District has indicated the following with respect to sewerage in Deer Valley: Projected flow calculations are based on average wastewater flow from residential units and make no distinction regarding size. In other words, the Sewer District does not follow the "unit equivalent" concept as does City.

The Sewer District has previously reviewed both the Upper and Lower Deer Valley sewer systems and made the following comments: Upper System (American Flag / Silver Lake Community) - There are two sections of sewer within the American Flag Subdivision that limit upstream, new growth to approximately 325 additional residential units. There are several sections with only slightly greater capacity. This concern or limitation was eliminated by construction of a new sewer trunk line from Royal Street through the Westview Parcel in 1988. Lower System (Solamere, Queen Esther, Fawn grove) - A portion of the trunk sewer serving this area was replaced in 1985 to provide greater capacity for Hanover and Park Con projects as well as Deer Valley's. These three developers executed an agreement with the District which identified their anticipated development and the percentage of the cost they would fund to "reserve" capacity in the sewer system. Of the present sewer capacity of approximately 1385 units, Deer Valley has approximately 200 units available for future development. However, there are downstream sections of sewer that have less capacity than the new Deer Valley North Road sewer. This problem will be pursued with the developers as necessary.

Q. Separability. If any provision or provisions of this Permit shall be held or deemed to be, or shall, in fact, be illegal, inoperative, or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent, whatsoever.

R. Term of Permit. The term of this Permit is governed by the Twenty-Ninth Edition of the Land Management Code of Park City as revised as of April 1, 1993.

Approved this 30th day of November, 2016.

PARK CITY PLANNING COMMISSION

By 

Planning Commission Chair

NOTES:

1. These projects have been approved under the Unit Equivalent Formula contained in Section 10.12 of the Code, resulting in a different developed density than base permitted density.
2. One small unit was separately permitted in this project using .5 unit of density.
3. This project has been approved under the Unit Equivalent Formula contained in Section 10.12 of the Code, resulting in a different developed density (85) than base permitted density (73.25).
4. This parcel is required to use the Unit Equivalent Formula contained in Section 10.12 of the Code.
5. This parcel has been platted as open space, with the open space applying to the open space requirement of Lot 2B.
6. Two additional units were permitted in this project on land that was not a part of the Deer Valley MPD.
7. This parcel was originally permitted as 20 MF units but subsequently developed as 5 single family homesites.
8. This parcel was permitted as 16 units. Subsequently 9 of the unit development rights were acquired by the homeowners and dedicated as open space.
9. This parcel was originally permitted as a combination of single family and multi-family. The multi-family uses were converted to single family with a density reduction from 78 to 58 units.
10. The development density on these parcels is less than the original permitted density at the election of the developer.
11. The transfer of 1.75 Unit Equivalents to this parcel from the Snow Park Village parcel was authorized by the Planning Commission on June 28, 2006.
12. This project has been approved under the Unit Equivalent Formula contained in Section 10.12 of the Code, resulting in a different developed density (50) than base permitted density (42.75). The transfer of 1 Unit Equivalent to this parcel from the Snow Park Village parcel was authorized by the Planning Commission on March 23, 2011.
13. Prior to issuance of a building permit on Lot I, the Property owner shall submit an Historic Mine Waste report.
If Historic Mine Waste is located on the site, a mitigation plan shall also be submitted compliant with the Park City Soils Boundary Ordinance.
14. Building on Lot I shall be designed to be broken into more than one volumetric mass above final grade, exhibiting both horizontal and vertical articulation. Common underground parking is permitted.
15. The transfer of 0.4215 UE from Lot D to Lot I was approved by Planning Commission on November 30, 2016.

A. Lots in the Silver Lake Village Subdivision have a development height limitation tied to a base elevation of 8122' with peak of roof not to exceed elevation 8186'.
