

FOOD TRUCKS IN PARK CITY: A GUIDE

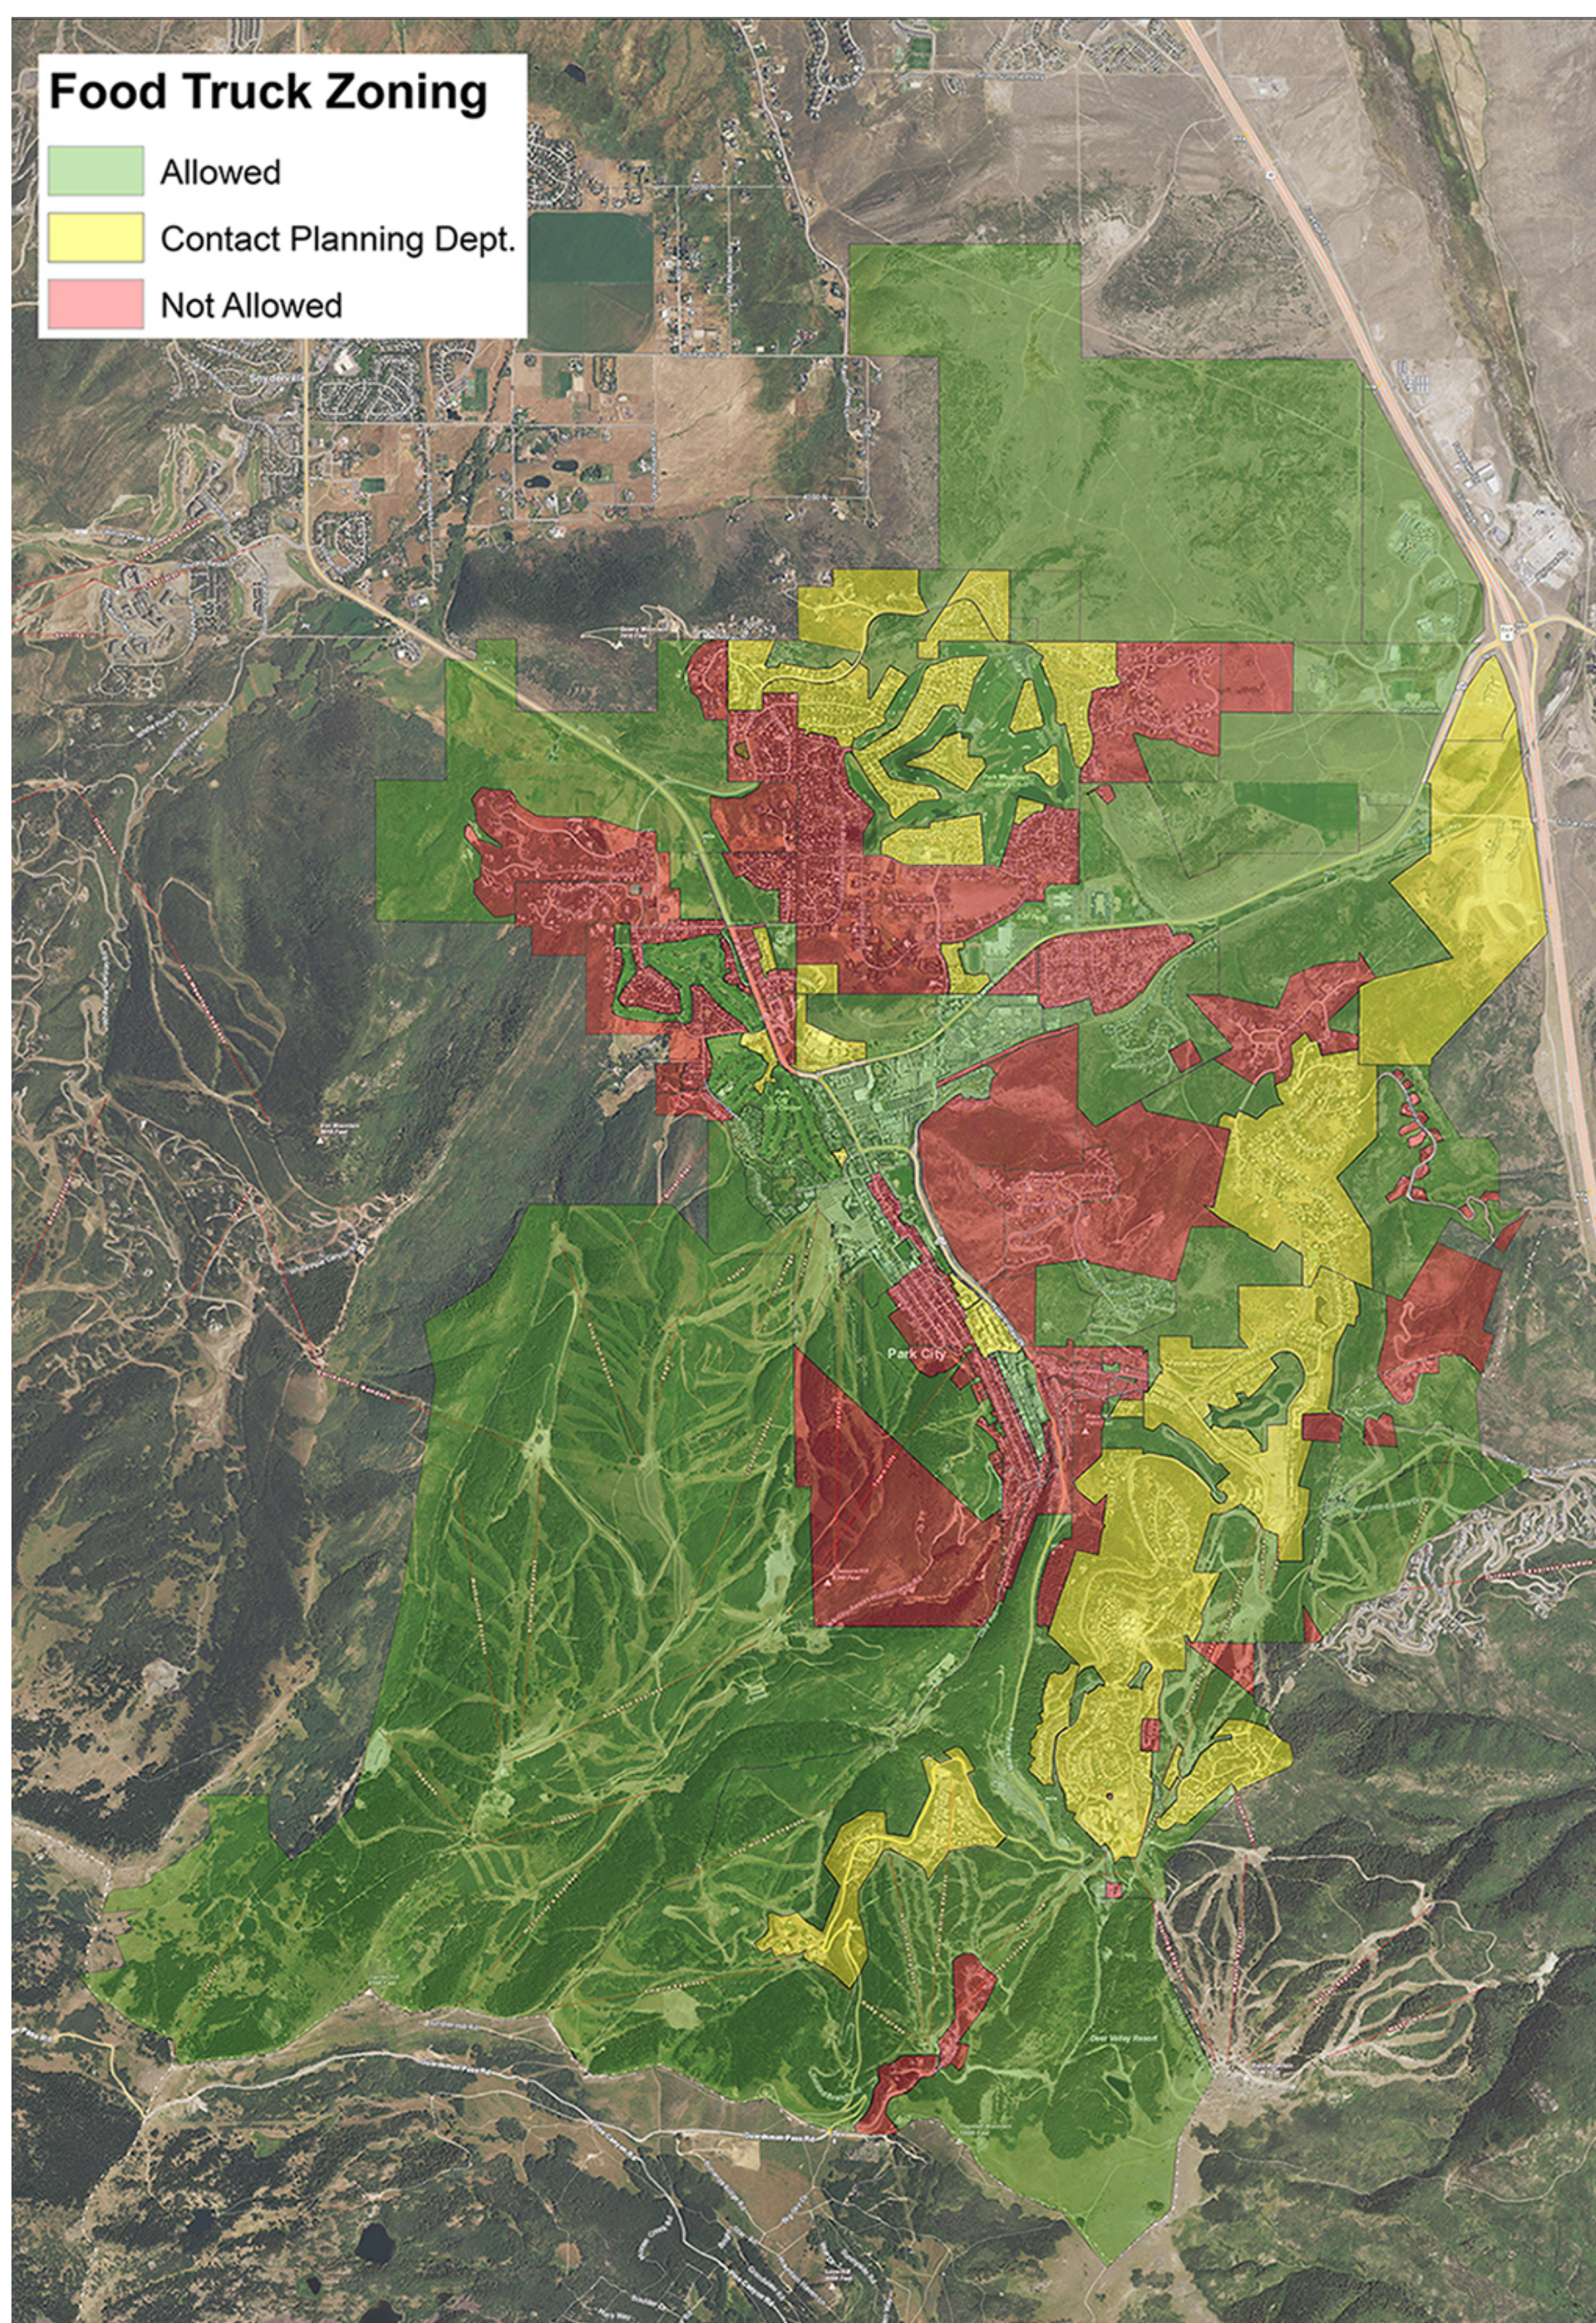

A path for Food Trucks on private property that are open to the public

A Food Truck may only be located at an approved Food Truck Location, which requires a permit typically secured by the land owner.

Process for approving a Food Truck Location:

- Food Truck Location must be allowed in the zone and comply with underlying zoning requirements. Please review locations on this zoning map.
- Property owner of proposed Food Truck Location has completed and received approval of an [Administrative Permit](#) with the Planning Department. The Planning Department is located on the first floor of City Hall at 445 Marsac Avenue, and can be reached at 435.615.5060.

For the individual Food Truck:

- Individual Food Truck shall obtain a [Reciprocal \(business\) License](#) with the Finance Department (if licensed in another jurisdiction). The Finance Department is located on the first floor of City Hall at 445 Marsac Avenue, and can be reached at 435.615.5221.
- Individual Food Trucks shall comply with this [Municipal Code 4-5-6](#).
- Individual Food Truck shall contact the Summit County Health Department about additional, local requirements for [Health Permit](#).
- Food Truck must be located in an approved Food Truck Location (see section above for requirements of property owner of a Food Truck Location).
