

How To Schedule Inspections For A Building Permit

****Inspection requests must be submitted by 3 p.m. on the day before your desired inspection date****

1. To select the permit that is in need of inspection, click the blue permit number located in the "permit details" section.

activepermits

date	permit details	Owner / Builder	Subdivision	Lot #	street address	last inspection
	BD-19-					-

records 1 to 1 of 1

Click on the blue permit number.

2. Click on "request inspection".

request

Click on desired date of inspection. It will autofill the "When to inspect" section. Please verify that you have selected the correct date before you click "request"

Click on this box to select an A.M. or a P.M. inspection.

A.M. inspections are between 8 a.m. and 12 p.m.

P.M. inspections are between 12 p.m. and 5:00 pm

Fire Permit inspections consist of "fire inspection" and "final".

- You should receive a confirmation email. But, to verify, click on your permit number on the main page.

activepermits

Click on the blue permit number.

date	permit details	Owner / Builder	Subdivision	Lot #	street address	last inspection
	BD-19-					-

records 1 to 1 of 1

- You will be able to view the inspections attached to your permits. The inspection requests that have been submitted will say requested and will have the desired date it was requested for.
