

# Sundance 2020 Fire Permit Application Process

1. Go to <https://www.parkcity.org/departments/community-development-building-engineering-planning/building-and-fire-safety>. Click on “Park City My City Inspector Registration”.

The screenshot shows the Park City website interface. At the top, there is a navigation bar with links for 'About Us', 'Departments', 'Government', and 'How Do I...?'. A search bar is located in the top right corner. Below the navigation bar, there is a sidebar menu on the left with various categories under 'Building and Fire Safety'. The main content area features a banner with three images: a house under construction, a beetle on a log, and a yellow house. Below the banner, the text 'Register with **Park City My City Inspector Registration**' is displayed, with the link circled in red. Below this, there is a link for 'Park City My City Inspector Login' and a notice stating 'Effective June 3rd, 2019 all inspections and permit applications will need to be submitted through My City Inspector'. Further down, the text 'PRE-APPROVED PERMITS MAY BE ISSUED FROM: 8:00 AM TO 4:00 PM MONDAY TO FRIDAY' is shown. At the bottom, a paragraph of text provides additional information about permit requirements, mentioning 'Park City Fire District' and 'Snyderville Basin Water Reclamation District'.
