

Park City Transit

Help us limit the spread of COVID-19 (Coronavirus).

We're disinfecting our buses and transit centers **daily**, but you can do your part by:

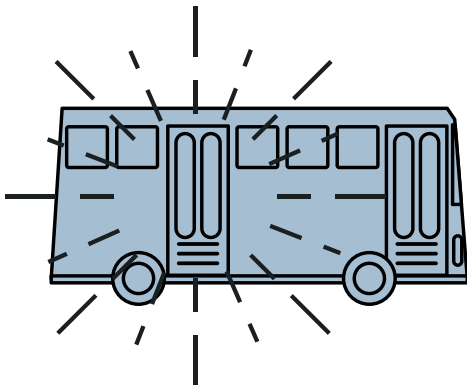

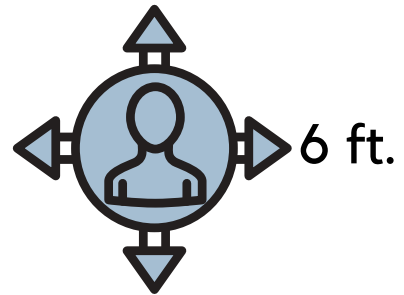

1. Wearing a Mask/Face Covering

Masks are **required** while riding or waiting for the bus. Any face covering that completely covers the mouth and nose is acceptable.

2. Social Distancing

Leave at least **six feet** between you and other passengers. Please sit in marked areas only.

3. Use the Rear Door

If you don't need the ramp, help protect our drivers and board or exit through the **rear door only**.

Passengers experiencing COVID-19 symptoms with no other travel options are asked to use On-Demand service for essential travel by dialing 435.640.7819.
