

PARK CITY NOISE ORDINANCE

Noise is a common concern in Park City. Park City Municipal Code 6-3 outlines regulations that establish minimum noise standards to:

- Reduce excessive, unnecessary, or unusually loud noises within Park City limits:
- Prevent the creation of excessive, unnecessary, or unusually loud noises that are unreasonable in their time, place, or use, that are a detriment to public health, comfort, convenience, safety, or welfare of the residents of Park City:
- Secure and promote the public health, comfort, convenience, safety, welfare and the peace and quiet of the residents of Park City.

PURPOSE

Constitutionality | Consistency | Enforcement

GOALS

Address Constitutional Issues | Noise Standards
Clarity
