

1. When does registration open for 2021 Summer Day Camp?

Camp registration (and all other summer program registration) opens to the general public online at 6:00am on Thursday, April 1st.

Early registration is available for prior year (2020) Full Summer Campers and those that reside or work in the 84060 zip code beginning at 9am on Monday, March 15th. In order to qualify for early registration, proof of residency or current employment in the 84060 zip code MUST be supplied to spencer.madanay@parkcity.org or submitted in person to the PC MARC front desk no later than 3pm on March 12th, 2021.

2. What are the ages for Summer Day Camp?

Camp is open to children ages 6-12 years. Exceptions may be made for 5 year olds ON A TRIAL BASIS only if they meet the following criteria: 1) have attended a full day kindergarten or pre-school program, 2) have an older sibling in the program, AND 3) are registering as a full summer camper. Camp days are long, busy days and even our 6 year olds sometimes have a hard time keeping up. If camp staff feel that a child is too young for the program we reserve the right to notify the parents and cancel the child's registration with a refund for days not attended. Please note: exceptions must be requested PRIOR to registration by contacting Spencer Madanay: spencer.madanay@parkcity.org or 435-615-5412.

3. Are scholarships available for 2021 Summer Day Camp?

Yes. Applications for Park City Recreation's Fee Reduction program are available online and in person at the MARC front desk. Applications must be received and approved prior to registration opening for the best chance at enrollment. For questions on the Fee Reduction program contact Sadie Hennefer or 435-615-5402. <http://www.parkcity.org/departments/park-city-marc-recreation/recreation-programs/fee-reduction-program>

4. Do I need to register for add-on programs on April 1st as well? (Skate, tennis, swim, & golf)

You can, but it's typically not necessary. Add-on programs are available for registration throughout the summer. Occasionally these programs do sell out for a session, so it is best to register in advance, but as long as space is available you and your child can decide what is best for them as the summer progresses.

5. Is the entire balance of camp registration due at time of registration?

Yes. Online registrations can only be made with full payment. If you need to make alternative payment arrangements please contact Spencer Madanay *prior* to registration opening to discuss options.

6. My child is on the waitlist – how does that work?

When camp begins on June 7th our staff will monitor numbers on a daily basis. If space becomes available they will make phone calls according to the waitlist to fill spots. From the very first day of camp parents will be making changes and often spaces will open up. You may also call camp at 435-615-5440 during office hours (8am – 10am & 4-5pm) to inquire about space availability.

7. What are camp hours?

Park City Summer Day Camp is open from 8am – 5:45pm Monday through Friday, June 7th – August 13th, 2021. Please note that while camp is available for early drop-off and late pick-up, *organized activities take place between 10am – 4pm*. 8-10am and 4-5:45pm is supervised free time.

8. How do field trips work?

Due to COVID-19, we will likely host “in-house” field trips on select Fridays during the summer. If your child will be attending camp on a field trip day, participation is mandatory. Field trips require an additional fee between \$3-15 per child, depending on destination. We do our best to keep these trips affordable while still providing fun alternatives for the kids. Registration for field trips may be done in advance online or at camp.
