2. What are the ages for Summer Day Camp?

Camp is open to children ages 6-12 years. Exceptions may be made for 5-year-olds ON A TRIAL BASIS only if they meet the following criteria: *1) have attended a full day kindergarten or pre-school program, 2) have an older sibling in the program, AND 3) are registering as a full-summer camper.* Camp days are long, busy days and even our 6 year olds sometimes have a hard time keeping up. If camp staff feel that a child is too young for the program, we reserve the right to notify the parents and cancel the child's registration with a refund for days not attended. Please note: exceptions must be requested PRIOR to registration by contacting Spencer Madanay: spencer.madanay@parkcity.org or 435-615-5412.

3. Are scholarships available for 2024 Summer Day Camp?

Yes. Applications for Park City Recreation's Sliding Fee Scale program are available online and in person at the MARC front desk. Applications must be received and approved prior to registration opening for the best chance at enrollment – Please allow for 2 weeks processing. For questions on the Sliding Fee Scale Program, contact Sadie Hennefer (435-615-5402) or Esmeralda Rangel (435-615-5413).

4. Do I need to register for add-on programs on April 1st as well? (Skate, tennis, swim & golf)

Yes, but in some cases it's not necessary. Add-on programs are available for registration throughout the summer. Many of these programs will sell out, so it is best to register in advance - As long as space is available, you and your child can decide what is best for them as the summer progresses.

5. Is the entire balance of camp registration due at time of registration?

Yes. Online registrations can only be made with full payment. If you need to make alternative payment arrangements please contact Spencer Madanay *prior* to registration opening to discuss options.

6. My child is on the waitlist – how does that work?

When camp begins on June 10th our staff will monitor attendance on a daily basis. If space becomes available they will make phone calls according to the waitlist to fill spots. As families begin to solidify their plans leading up to the summer, changes are made and often spaces will open up.

Once camp begins, the best course of action is to call the staff directly at 435-615-5440 during office hours (8am – 10am & 4-5pm) to inquire about space availability.

7. What are camp hours?

Park City Summer Day Camp is open from 8am – 5:45pm Monday through Friday, June 10th – August 16th, 2024 (Dates may change depending on the Park City School District Calendar). Please note that drop-off is between 8-9:45am and pick-up is between 4-5:45. *Organized activities take place between 9:45am – 4pm.* 8-9:45am and 4-5:45pm is supervised free time.

Parents may drop-off and pick-up outside of the designated times with proper communication with Summer Day Camp Directors.

8. How do field trips work?

Due to the increase in capacity, field trips will be held both in-house and offsite. Campers will be required to participate in the in-house or local fieldtrips – Parents who do not pay for these in advance will be charged automatically to the card on file. These field-trips will be a smaller cost as we will have presenters join us at City Park or take the City Bus to local venues.

Offsite fieldtrips are limited in space as we utilize a chartered bus company. **Each** camper will have their own designated seat on the chartered bus – Smaller children who require a car seat will be given priority to ride in the recreation van. Field-trip registrations will open once venues are confirmed – This will be communicated to parents that have registered their kids for Summer Day Camp. Those who do not want their child to attend an offsite field trip now have an option to stay on-site at City Park for the day. Likewise, campers who do not secure a spot on a field-trip will stay on-site at City Park. Offsite fieldtrips incur a higher cost to cover transportation and entry fees. We do our best to keep these trips affordable while still providing fun alternatives for the kids. Registration for field trips may be done in advance online or at camp.
