SOCIAL EQUITY INITIATIVES

Welcome, LGBTQ+ Community!

“... And perhaps the best answer is not to tolerate differences, not even to accept them. But to celebrate them. Maybe then those who are different would feel more loved, and less, well, tolerated.” — Bill Kingberg, award-winning author

Social Equity is a critical community priority for Park City that the community recently reaffirmed through the existing process. As we strive to celebrate the diverse groups within our community, we seek the honor or narratives to anchor our work internally, and our outreach to our partners and members reflects the ongoing goal of making all our residents feel included and valued. In this spirit we have two LGBTQ+ members in Park City (Municipal employees) and one at the Park City (State Department).

Leah Langan, Executive Assistant to The Mayor and City Manager
leah.langan@parkcity.org 435-615-5158

“The greatest gift as a community leader: Park City (Municipal) never diverts an an event that should be celebrated. Our goal is to ensure that each LGBTQ+ visitors and residents are seen, heard, and valued. Our community maps countless benefits when all visitors are unapologetic.” — Leah Langan

Franco Libertini, Community Outreach Officer
franco.libertini@parkcity.org 435-615-5102

“The Park City Police Department policy strictly prohibits bias-based policing. Every member of our department shall perform his/her duties in an open and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based policing to a supervisor. Members should, when reasonable, be in uniform to prevent any biased-based action within our members.” — Franco Libertini

In addition, we kicked off an internal LGBTQ+ task force in November 2020 and engaged our community in an external task force in January 2021. We embrace and celebrate the diversity in our community and endeavor to make all residents feel safe, welcome, and valued.
