# Organized Weekly Tennis Groups

Last Updated: 4/27/21

These weekly groups are organized by both PC Tennis and several outstanding patrons. Each group has a USTA rating listed with it. Players **MUST** be of the requisite skill level to participate in these groups. If you do not have a current USTA rating, contact PC MARC Tennis Director, Dillon Bunt, and schedule a 30 minute evaluation. Dillon will be able to assess your level and direct you to the appropriate groups. If you have a current USTA rating and are interested in participating in any of these groups, please contact Dillon at [dillon.bunt@parkcity.org](mailto:dillon.bunt@parkcity.org).
