UPDATES & STRATEGIC PLAN

PAAB Project Updates 5/10/21

2021 PAAB Meeting Dates:

June 14, July 12, August 9, September 13, October 11, November 8, December 13

Please continue to refer to the [PAAB's Mission, Vision and Goals](#).

Please also continue to refer to the [2019/2020 Strategic Plan Goals](#). This is what we are working to update/have City Council review.

Project Updates:

Rich Martinez Sculpture is underway. Anticipated completion Summer 2021.

Inventory Completed. Retainer in progress. Next Step Install Signage Summer 2021 (additional costs)

Deinstallation of MARC Artwork In progress. Completion estimated Spring 2021.

Olympic Sculpture at Maverick will not need to be moved until further notice.

Transit Shelters on Park Ave are getting updated. Propose to keep current sculptures there, upon approval from an engineer. No need to recite unless they can't be placed on new shelters.

Loosey the Moose has been updated with a new outfit.

Maintenance and Repairs (this is a running list so when we do inventory we can address)

- Symphony of Movement - Sign to be installed
- School of Fish - Repair Signage (maintenance needed)
- Surroundings Water Damage Inquiry – keep an eye on it

Projects 2021:

Staff recommends PAAB consider moving ahead with Utility Box Phase 2 and Maverick Gas Station Project this summer 2021.

Utility Boxes:

PAAB should consider a theme for the Utility Box Phase 2 Project. Staff will work with Rocky Mountain Power to identify up to 15 new boxes to cover. This will require 15 works of art and a contract with the printer. There have been at least 5 requests from the public for this program to come back.

Proposed Theme of the boxes would be Community Vision, relating to any of the City Council's current priorities – Social Equity, Transportation, Housing and Sustainability/Energy. Artwork with text, logos, sponsors, profanity, or nudity will not be permitted in the artwork. Entries would be required to submit a statement of 300 words or less that describe how their design fits the theme.

Budget for this project would be as follows:

\$400 per artist for up to 15 Utility Boxes = \$6,000

Printer & installation estimated project work is \$25,000 to \$30,000 based on last proposal.

Total = \$31,000 to \$36,000

Maverick Gas Station:

PAAB should consider a theme for the Maverick Gas Station Project if they would like to move ahead. Please

review examples from other communities. Staff will update on department and feedback from other communities in the meeting. Examples are below, current estimated budget from PAAB is \$30,000. This budget estimate is based on project research, and average cost of most tunnel murals.

From February meeting:

As we discussed at the meeting, we may consider keeping the Maverick building for a few years as a place for the General Contractor/Project Manager to work out of. This saves us some costs on the project. We are considering a possible artistic project with the exterior of this building. As we discussed I have some follow up to do and will bring this discussion back to the March Meeting.

Future Projects – 2022 and beyond:

Staff recommends PAAB review the updated draft Strategic Plan. PAAB should send top 3 projects in order of priority to Minda and Jenny by noon on Monday. We will compile and share with the group at the board meeting. Draft 2021/2022 & Beyond is attached below.

When prioritizing projects, it is important to consider how PAAB's projects relate to the community's goals and priorities. <https://www.parkcity.org/Home/ShowDocument?id=7637>

PUBLIC ART BOARD STRATEGIC PLAN & PROJECT PRIORITIZATION 2021/2022 DRAFT

Project	Project Description	Estimated Funding Amount and Funding Area	Progress	Tie to Council Critical and Top Priorities (All projects are tied to Arts and Culture Top Priority)
---------	---------------------	---	----------	---

RECOMMENDED SUMMER PROJECTS 2021

Arts District Maverick Project	In partnership with Kimball and Sundance, PAAB would like to explore a temporary art program in the AC District before the space is built. See examples of Gas Station Canvas in Board Packet.	30,000 CIP Funding	Summer 2021	Community Engagement
Utility Boxes-EmPOWERment Project - Phase II	Continue Utility Box Wrap Program. Discuss possibility of next theme and tie to social equity focus on Utility Boxes in Neighborhoods not on Main corridors? Includes up to another 10 boxes.	\$36,000 CIP Funding	Summer 2021	Energy & Social Equity Community Engagement

RECOMMENDED TOP PRIORITY PROJECTS - 2022

Neighborhood Art Program Research & Development	This may take up to a year to explore process on how to complete. Much research needs to be done on how such program could work, be funded, identifying partners, and staffing requirements. Staff anticipates coming to Council later in the summer/fall for an update on progress and recommended program to execute likely in Spring/Summer of 2020. Brainstorm included: allowing neighborhoods to submit mini grants to City to match or grant funding for neighborhoods to create artwork in their own community, instead of having City create artwork in neighborhoods. Thought is to be inclusive of all neighborhoods, not just affordable housing areas. In some cases city may not be project manager, but a funding agent. City of Boulder has a new program that is similar, but very focused on specifically allowing murals in neighborhoods. Other ideas include helping neighborhoods create art on their bus shelters, creating neighborhood murals at parks, etc. Other ideas include allowing neighborhoods to come up with creative ideas and pitch them to PAAB and Council. Please review attachment/research from last year.	Current estimate is to allow up to \$2,000 per neighborhood with max of \$20,000 annually. Working to identify funding source.	Estimated Summer/Fall 2022	Housing, Social Equity, Community Engagement & Citizen Wellbeing
	Woodside Phase II Art/ Wayfinding - As part of exploring neighborhood art programs, staff approached PAAB and recommended a project associated with Woodside Phase II and Affordable Housing - artwork or wayfinding. PAAB recommends to involve those moving into the housing area in development of such project.	\$10,000 to \$20,000 depending on scope of project. Possible funding from Lower Park RDA allocation.	Estimated complete pilot program complete by Fall 2022	
Transportation / Walkability Projects	This is several projects including Crosswalks (Main Street, Swede Alley and Park Avenue, possibly also Quinns Junction), Creative Sidewalks, and Custom Manhole Covers and wrapping Traffic Boxes (Transportation Planning received permission to wrap traffic boxes) Areas include Main Street/Old Town. May also look at cross walks at Quinns Junction as they are major pedestrian crossing paths and sometimes hard to see for motorists. Need to coordinate with Main Street Traffic Circulation Project.	Total estimated cost for all projects is \$100,000. Funding areas include Lower Park RDA, 1% from Main Street Improvement of CIP allocations.	Estimated to be complete by 2021, Need to be clear on which projects we want to move forward with.	Transportation & Community Engagement
	Neighborhood Art Treatments to help with traffic calming			
	Crosswalk Pavement Art - Select 7 to 10 crosswalks that are not paved and create colorful and impactful.	Grant \$25,000		
	Bus Shelters	Estimated \$5,000 each		
	Creative Sidewalks	Estimated \$20,000		
	Traffic Box Art (similar to Utility Box Wraps)	Estimated \$20,000		
Main Street Projects / Permanent Olympic Legacy / Glow in the Art	The board prioritized the Main Street Area as a focus for art. Additionally, the board would like to discuss a permanent Olympic Legacy project that engages patrons on Main Street. This may be murals, sculptures or other forms of art. The board also would like to explore artwork that lights up in this area, specifically at night. May look into a temporary art program in the fall/winter that aligns with Autumn Aloft, Halloween, Day Light Savings Time, Holiday Lights etc and Energy critical priority.	Total funding in Main Street 1% for improvements is \$90,000 may combine with some of the transportation projects above.	TBD - Complete by Summer 2021	Transportation and Community Engagement

	See above for Transportation Items - Crosswalks, Manhole Covers, Sidewalks etc..	\$80,000		
	Permanent Olympic Legacy Project - Request to look into creating a permanent Olympic Legacy project to continue to celebrate City's Olympic Legacy and hopeful future bid. May look at 1% Main Street Funding. Connect to families and make interactive.	\$50,000 - source TBD		
	Glow in the Art - Tie to Energy Critical Priority - Idea is that the artwork comes out after dark and is hidden away or changed during the day. illuminated artwork that would show off at night. Might be a good project to push forward in fall with Halloween, Day Light Savings Time and Electric Parade, Holiday Lights, If temporary project, grant funding needs to be explored. See examples of Breckenridge's WAVE exhibit. http://www.breckcreate.org/festivals/wave-light-water-sound/	\$20,000 - source TBD		
China Bridge Parking Garage Phase II	Board will discuss next steps on China Bridge connection walls and South walls in the late fall of 2019. This could mean bringing Emily Herr back or it could mean looking at other wayfinding in the parking structure.	\$20,000 to 60,000 - depending on scope funding source is CIP	TBD - Possibly Summer / Fall of 2022	Transportation & Community Engagement

LONG TERM PROJECTS - BEYOND 2022

Dans to Jans	This location continues to be prioritized, but because of future construction staff and PAAB are waiting to coordinate with Transportation Planning and Walkability. Long Term project.	\$30,000 + Funding TBD.	TBD	Transportation (Walkability)
Arts & Culture District Planning	PAAB is scheduled for an Arts and Culture District Update with Nate Rockwood at their May meeting. PAAB wants to continue to be involved in this discussion and looks forward to long term planning in the district. Rather securing a significant work of art, or starting art programs in the district, PAAB wants to take time to develop programs, funding, partnerships etc in the area.	TBD	TBD	Social Equity, Housing, Transportation, Energy - Citizen Wellbeing & Community Involvement

ONGOING PROJECTS

Donation Proposals	PAAB reviews proposals as they are recieved.	Will discuss funding options to bring back to Council.	Ongoing	Community Involvement

OUTREACH, ENGAGEMENT & MEDIA

Community Engagement & Outreach	Each meeting, one board member will select their favorite piece of art in the collection. Monthly, we will spotlight a piece from the collection via the City's Social Media. Additionally Arts Council will also highlight the board's top picks each month.	Start time, in coordination with City Communication Team and Arts Council	Begin May 2019 (review list to current)	Community Engagement
Library Art Rail Exhibit	Library Exhibits are organized through Park City Library. Annually they have invited a member of the PAAB to sit on the exhibit selection committee. PAAB rotates this position each year and they report back to PAAB.	Library Staff leads	Annual Review	Community Involvement

PROJECTS THAT ARE ON THE LIST BUT HAVE NOT BEEN PRIORITIZED AT THIS TIME

Trail Connections	Project can be formed by the Public Art Board. Goal of this initial proposal was to create artwork along Poison Creek to help with way finding, creating sense of place and link our community together, but the board is open to exploring other ideas as the opportunities come up.	TBD - \$30,000 to \$60,000		Transportation (Walkability)
--------------------------	---	----------------------------	--	-------------------------------------

Temporary Rotating Murals	Location TBD, idea is for Swede Alley. Would need private property permissions potentially. Need to explore funding mechanism, may need grant funds for temporary work. Example includes Stick'em Up in Jackson Hole http://jhpublicart.org/exhibitions/stickum-up/	Estimated Costs \$10,000	TBD	Community Engagement
Dog's Town	With a town who loves dogs, idea is to incorporate dogs into an art project. Perhaps 3 dog statues on Main Street at various parts of the street showing a dogs life or different types of dogs. We have lots of miners, skiers, bikers etc in our artwork, but we dont have our four-legged best friend. Could also be around trails or something.	Estimated cost TBD, might be a theme we can pick up.	TBD	Community Engagement/ Culture
Rotating Outdoor Exhibit	There are several art pads available through Park City. Some have power connections. They were installed as requested by the board so that we could have a rotating art exhibit in these locations. Some of the pads do hold permanent works.	TBD	TBD	Community Engagement
Electronic Archive of Submissions	This was requested by some board members back in 2015. Part of this discussion was specifically at subscribing to a submission achieve database to help track the submissions we receive so that we can refer back to them.	TBD	TBD	PAAB Mission

China Bridge Parking Garage Murals - Wild City by Emily Herr	In 2018, this was PAAB's number one priority. With major changes to the Parking system throughout downtown Park City, there was an opportunity to provide wayfinding to the garage. The artist selected was Emily Herr from Virginia, who also incorporated much public participation in completing the murals. The murals have been very well received by the community as a whole. This spring, the murals will have to be maintained to get dirt and salt build up from the winter washed off. Staff is coordinating with the parking department for such maintenance.	\$40,000 from CIP allocations	COMPLETE 2018	Transportation & Community Engagement
Utility Boxes - EmPOWERment Project - Phase 1	9 artists were selected for Utility Boxes throughout Park City. Printing contractor is expected to install the artwork around the beginning of May. Need snow to melt..	\$25,000 from CIP allocations	COMPLETE 2019	Energy & Community Engagement

Creekside Water Treatment Plant	In collaboration with the Water Department, and the new Water Treatment Facility, staff and PAAB have collaborated on this project that would reuse discarded infrastructure to create an educational/engaging sculpture, as the location of the new facility is adjacent to a park. Original budget for project was \$13,000 including a \$1,000 grant from Utah Office of Arts and Musums. After releasing the RFP, staff received only 2 artists that were interested in the project. Staff is working to re-post the RFP and PAAB has recommended another \$10,000 from their budget to bring the new project total to \$25,000 to hopefully get more interest in the project. Unfortunately the grant deadline has past, so those funds will be returned to the Utah Office of Arts and Museums.	\$25,000 = \$6,000 from water department. \$19,000 of Capital allocations from PAAB.	COMPLETE 2020	Energy & Community Engagement
Piano Project Suspended	Project Approved by City Council in 2017. Staff is still having difficulty securing contract. Because of the costs to the service provider for requirements of a minor contract to maintain the pianos, staff and the PAAB recommend no longer moving forward with this program.	NA	SUSPENDED	Citizen Wellbeing
Art District Fencing	The City Comissioned 4 unique artworks to display on construction fencing around the site of the Arts District from local artists.	\$2,500	Completed 2021	Arts and Culture
Inventory	This is PAAB's number one project for 2020. This includes updating all signage and inventory throughout the collection, updating current public art map, and taking professional photographs of each piece in the collection. While this is an ongoing task, taking time this year to maintain and refresh the inventory is vital to promote and continue the collection. (Signage is an additional cost and will be implemented in Summer 2020 on all Public Art).	\$10,000 from CIP Account	COMPLETED 2020	Community Engagement & PAAB Mission
Total Cost of Completed Projects		\$287,342
