NOTICE OF ELECTRONIC MEETING & HOW TO COMMENT VIRTUALLY:

The Chair issued a written determination that because of the public health emergency, conducting a meeting with an anchor location presents a substantial risk to the health and safety of those who may attend in person. This determination is based on the ongoing risks and infection rates statewide and in Summit County. For these reasons, this meeting will be an electronic meeting without an anchor location.

Historic Preservation Board members will connect electronically. Public comments will be accepted virtually. To comment virtually, use eComment or raise your hand on Zoom. Written comments submitted before or during the meeting will be entered into the public record but will not be read aloud.
