COMPANION BOULDER

\$1,360.00

The companion boulder has a core with space enough for two (2) cremated remains. The core is covered by a plaque with the memorial information. An engraved plaque and interment cost is not included with purchase.

COMPANION POST

\$530.00

The companion post includes the stone and burial rights to a 8" x 18" area where the stone is located for two (2) cremated remains. The price does not include engraving of stone or interment costs.

INDIVIDUAL POST

\$300.00

The individual post includes the stone and the burial rights to a 10" x 18" area where the stone is located for (1) cremated remains. The price does not include engraving of stone or interment costs.

COMPANION MARKER

\$980.00

The companion marker is a memorial marker with two inner cores where (2) cremated remains are placed. The purchase includes the burial rights to a 30" x 12" area where the stone is located. The price does not include engraving or interment costs.

INDIVIDUAL MARKER

\$530.00

The individual marker is a memorial marker with one inner core where (1) cremated remain are placed. The purchase includes the burial rights to a 20" x 12" area where the stone is located. The price does not include engraving or interment costs.

FAMILY BENCH

\$1,045.00

The cremation bench has four cores to hold cremated remains. The bench can be engraved with memorial information. The purchase does not include engraving or interment costs.

PEDESTAL BUILT TO SUIT

\$300.00

The pedestal built to suit has four cores to hold cremated remains. The purchase includes the burial rights to a 14"x14" space. The purchaser would work directly with the granite supplier to design the final feature. The purchase does not include the custom designed stone, engraving, or interment costs.
