Park City Transit On-Demand

Introducing another way to get around!

Park City Transit has launched a microtransit pilot program this winter by partnering with High Valley Transit to temporarily expand their *Micro* zones to new areas in Park City.

Go to the High Valley Transit section of this guide to learn more about Micro.

How Does On-Demand Work?

Passengers can request a ride via phone by dialing **(435) 640-7819**

Once a ride request is received, a Park City Transit vehicle will arrive no more than 15 minutes after the specified pick-up time. The driver will stop taking requests for same-day rides at 10 pm.*

Rides are completed on a time and space available basis, so wait times may vary slightly.

**To guarantee pickup within 15 minutes of your specified time, request your ride at least one hour in advance.*
