

City Council Critical Priorities and Lenses

During their strategic planning retreat in March, Council identified two *Critical Community Priorities* for 2023: [Housing](#) and [Transportation](#). Additionally, Council will use four *Lenses* as an ongoing tool to clarify and evaluate the City's projects and initiatives and inform the budget process. These *Lenses* include:

- Community Design;
- Livability & Affordability;
- Diversity, Equity & Inclusion; and
- Environmental Leadership
