

# LANDSCAPE INCENTIVE PROGRAM

LAUNCHING MAY 1, 2023

## PARK CITY IS LAUNCHING A FINANCIAL INCENTIVE PROGRAM TO REMOVE TURF IN PARK CITY!

- Do you have nonfunctional turf — grass that is only walked on when it is mowed?
- Are you interested in reducing your water use, and bill?
- Does landscaping with water-wise and fire-wise plantings appeal to you?
- If you answered yes to any of the questions above, the City is launching an incentive program to provide \$2 per square foot of turf removed and replaced with water-wise and fire-wise landscaping. Additional limitations apply.
