I. Introduction.

PCMC has produced the Fourth of July celebration since 2016. This is one of our community's favorite events and attracts nearly 40,000 people – locals and visitors alike.

As part of the event, we typically host a public fireworks display to culminate the day-long celebration of our nation's birthday. With increased wildfire risk and environmental impacts from traditional fireworks, we are shifting to a more sustainable option of a drone show. A successful Respondent should have prior experience in executing public drone shows.

The total project maximum funds available are \$45,000.00.

II. Scope of Project.

The successful Respondent will conduct a drone show on the evening of July 4, 2023, between 9:30 and 10:00 p.m. This includes management of the program including program staffing, maintaining safety, site setup, execution of the show, and breakdown in coordination with City staff.

The Respondent that is selected as the service provider will work with City staff and a contracted event planner hired by the City on all matters of the project including budgetary considerations, project timelines, accessibility, and obtaining required City, County, or State permits and other items that pertain to the project, including coordinating with local businesses or organizations.

III. Contents of Proposal and Evaluation Criteria.

A. Required content and minimum qualifications.

The proposal must include:

- **Bio**– information and brief resume, focusing on the past three years. Include information about your business organizational structure related to the project.
- **Experience & References** - A statement detailing your experience in drone programming and the experience and financial stability of your business, including information about licensing, current business licenses, and staff training/licenses. Respondents should include no less than two references including names, phone numbers, and emails.
- **Proposal**– Describe your proposal for this project. Explain the proposed operational plan, flight plan, site location/map, budget, timeline (leading

up to and day of the program), process, required certifications, and method to complete the project.

- **Budget**– Include a proposed budget of projected costs to be incurred by the service provider, including the performance of services specified, labor, travel, room and board, insurance, materials, and any other costs.

Proposals will be evaluated on the criteria listed below. Proposals are limited to 10 pages.

If Respondent proposes to use a third party (subcontractor, subconsultant, etc.) for completing all or a portion of the scope of work requirements, state the name and identify the portion of the scope of work to be completed by a third party.

B. Evaluation Criteria

Each member of the selection committee shall use the evaluation criteria and percentage weights below to establish their own ranking of the Respondents. The committee shall then use these individual rankings to establish an aggregate ranking of all the accepted proposals. The evaluation criteria and basis for the award are attached as **Exhibit “B”** and incorporated herein.

General and Specialized Experience – (30%): (a) Respondent's ability, capacity, and skill to perform or provide the required services; (b) Respondent's demonstrated ability with respect to quality, availability, and adaptability of the supplies or contractual services; and (c) Respondent's organizational and financial history.

Past Performance and Experience of Proposed Personnel - (20%);

Plan of Operation/Performance - (50%): (a) quality of Respondent's operation plan; (b) Respondent's plan to contribute to City's defined goals; and (c) Respondent's proposed budget for the project.

The selection committee will consider all documents, the presentation/interview if applicable, the response to the RFP, information gained while evaluating responses, and any other relevant information to make its determination. The committee will select the Respondent who, in the committee's sole judgment, is best able to provide a drone show for public entertainment purposes for the Fourth of July Celebration on July 4, 2023.

NOTE: Price may not be the sole deciding factor.

PCMC reserves the right to reject any and all proposals for any reason. Proposals lacking the required information will not be considered.

IV. Government Records Access and Management Act.

All submittals will be treated as public records in accordance with the requirements of the Government Records Access and Management Act, Title 63G, Chapter 2 of the Utah Code (“GRAMA”) unless otherwise designated by the Respondent pursuant to Utah Code §63G-2-309, as amended. The burden of claiming an exemption from disclosure shall rest solely with each Respondent. Respondent shall submit any materials for which Respondent claims a privilege from disclosure marked as “Confidential” and accompanied by a statement from Respondent supporting the exemption claim. PCMC shall make reasonable efforts to notify Respondent of any GRAMA requests for documents submitted under an exemption claim. Respondent waives any claims against PCMC related to disclosure of any materials pursuant to GRAMA. Please note the following:

- c. For convenience, a Business Confidentiality Request Form (BCR Form) is attached to this RFP as **Attachment "1"** and **incorporated herein**. The Respondent must submit a completed BCR Form at the time of submission of any proposal.
