

Addendum 1 RFP (NON-BID) Excavation & Water System Repair  
Questions & Answers  
Issued 2/22/2024

1. Is there a timeline for the contract?

The contract timeline will ultimately be determined by the available budget, excavation needs, respondent's willingness to contract, and other factors including City Council authorization; however, we anticipate a multi-year contract of around three years. The Contract will start after selection and successful contract award.

2. Is there a difference in rates as far as emergencies and time of day or night the emergency is called in?

You may submit one rate sheet for emergency work, and one for scheduled work under 2.C of your submittal.
