RICHARDS PARCEL ANNEXATION AGREEMENT

THIS ANNEXATION AGREEMENT (this "Agreement") is made by and between Park City Municipal Corporation (hereinafter, "PCMC" or the "City") and Franklin D. Richards, Jr. Family Trust (December 24, 2002) (hereinafter, "Petitioner") to set forth the terms and conditions under which Park City will annex certain land owned by Petitioner (hereinafter, "Richards Parcel" or "Petitioner's Property"), consisting of approximately 13.75 acres and located in unincorporated Summit County, Utah, north of Payday Drive and west of State Route 224. The Richards Parcel is one of two parcels proposed to be annexed into Park City's municipal boundaries. The other parcel proposed for annexation is a 19.74 acre parcel owned by the City (hereinafter, "PCMC Parcel"). Together, the annexation of the Richards Parcel and the PCMC Parcel shall be referred to as the Richards/PCMC Annexation; the petition to annex both parcels shall be referred to as the "Annexation Petition;" and both the Richards Parcel and the PCMC Parcel shall be referred to as the "Annexation Property." The Richards/PCMC Annexation Petition requests annexation into the corporate limits of Park City and extension of municipal services to the Richards Parcel. The PCMC Parcel is included in the Annexation Petition but is not subject to the terms of this Annexation Agreement. The City and Petitioner are sometimes collectively referred to in this Agreement as the "Parties" or individually as a "Party". This Agreement is made under authority of §§ 10-2-401 et. Seq. of the Utah Code, Annotated 1953, as amended "MLUDMA").

WHEREAS, the Richards/PCMC Annexation includes the following parcels: the PCMC Parcel, with tax identification number SS-104-1-B-1-X, owned by PCMC and consisting of 19.74 acres, and the Richards Parcel, with tax identification number SS-104-1-B, owned by Petitioner and consisting of 13.75 acres.

WHEREAS, in furtherance of the foregoing, the Petitioner desires to annex the Richards Parcel into the corporate limits of the City and, to that end, a complete Annexation Petition for the Annexation Property was filed with the City on February 12, 2012. The Annexation Petition was accepted by the City Council on February 16, 2012, and certified by the City Recorder on March 1, 2012. The first public hearing was conducted by the Planning Commission on May 9, 2012. Subsequent public hearings were conducted by the Planning Commission on September 26th and December 12th of 2012 and January 9th of 2013.

WHEREAS, in connection with the Richards/PCMC Annexation, the Annexation Property is proposed to be zoned Single Family (SF Zone) for the Richards Parcel and Recreation Open Space (ROS Zone) for the City Parcel. The SF Zone is a City zoning district allowing for low density, single family home development that maintains existing predominately single family detached residential neighborhoods, maintains the character of mountain resort neighborhoods with compatible design, and

requires a streetscape that minimizes impacts on existing residents and reduces the architectural impacts of the automobile. The SF zoning district is more fully described in the City's Land Management Code.

NOW, THEREFORE, in furtherance of the Annexation Petition, in consideration of City's action to annex Petitioner's property, and in consideration of the mutual promises contained herein, as well as the mutual benefits to be derived here from, the Parties agree that the terms and conditions of the Richards/PCMC Annexation shall be as follows:

1. **Property.** The Richards Parcel to be annexed is approximately 13.75 acres in area, as depicted on the annexation plat attached as Exhibit A (the "Annexation Plat") and as more fully described in the legal descriptions attached as Exhibit B. The PCMC Parcel consists of 19.74 acres. The total Richards/PCMC Annexation includes both parcels and totals approximately 33.49 acres.

2. **Zoning.** Upon Annexation, the Richards Parcel will be zoned Single Family (SF). The PCMC Parcel will be zoned Recreation Open Space (ROS). The official zoning map of Park City shall be amended to include these properties and zoning designations (see Exhibit F).

3. **Subdivision; Density and Phasing.** Pursuant to Land Management Code Section 15-8-3 on February 12, 2012, a complete revised application for a Preliminary Subdivision Plat on the 13.75 acre Richards Parcel of the Property was filed with the City. The Preliminary Subdivision Plat is attached as Exhibit C. The maximum allowable residential density is seven (7) dwelling units with all units to be single family detached houses located within the Richards Parcel. The PCMC Parcel is to be platted as open space with ROS zoning, subject to the Deed of Conservation Easement described below. Uses of the PCMC Parcel must comply with the ROS zoning and the March 24th, 2005, Deed of Conservation Easement entered into by and between Park City Municipal Corporation (Exhibit D), in favor of the Summit Land Conservancy, a Utah non-profit corporation.

The maximum density allowed on the Richards Parcel does not include the required affordable housing unit ("AUE") as specified in Paragraph 10 below. The land use development of the Property shall be governed by the maximum density stipulated in this Agreement, zoning designations provided herein and by the Final Subdivision Plat, to be finalized as soon as reasonably practicable following completion of the annexation process pursuant to Utah Code Annotated § 10-2-425(5).

Moreover, any substantive amendments to this Annexation Agreement shall be processed in accordance with the Park City Land Management Code and MLUDMA in effect at the time an application for amendment is filed with the City Planning Department.

Further, as part of the Final Subdivision Plat approval process, the phasing of the development of the Petitioner's Property shall be determined in a manner that ensures the adequacy of public facilities as may be required to support any such development.

4. **Sidewalks.** A condition precedent to building permit issuance for construction on any lot within the Final Subdivision, is the dedication to the City of a ten (10') wide, non-exclusive, public easement across the Petitioner's Property along Payday Drive, for the purposes of public access, utilities, irrigation, storm water drainage, landscaping and snow storage. Construction of a five (5') foot wide non-vehicular public pedestrian sidewalk, to be located within the ten (10') public easement and

constructed to City Standards and Specifications as required by the City Engineer, shall be included as part of the required public improvements for the future development. The sidewalks shall connect to the existing sidewalk within the Thayne's Creek Ranch B Subdivision and shall run to the Property's western boundary at Iron Mountain Drive, with the final location to be determined by the City Engineer during the Final Subdivision Plat review process. Any obligations or guarantees with respect to the construction of such sidewalks shall be governed by the terms and conditions of the Final Subdivision for the Property.

5. **Fire Prevention Measures.** Because of potential wild land interface issues on the Petitioner's Property, the Petitioner (or, as specified in connection with any such assignment, its assigns) agrees to implement a fire protection and emergency access plan, to be submitted prior to the issuance of any building permits, to be reviewed and approved by the Fire Marshall and Chief Building Official for compliance with applicable building and fire codes. Such plan may include a requirement for residential fire sprinkler systems for all structures. Fire and emergency access and fire hydrants shall be installed as required by the fire protection plan prior to issuance of any full building permits on the Property.

6. **Roads and Road Design.** All streets and roads within the Property are to be private roads designed and retained as private roads. Final design shall be determined during the Final Subdivision Plat review process.

7. **Sanitary Sewer, Line Extensions and Storm Water Detention Facilities.** Construction and alignment of the sanitary sewer shall be established as part of the Final Subdivision Plat for the Property (as accepted by the City and filed in the official real estate records of Summit County, Utah, the "**Subdivision Plat**"). The preferred alignment of the sanitary sewer shall be that alignment which results in the least visual impact and site disturbance while meeting the site design and construction requirements of the Snyderville Basin Water Reclamation District.

In connection with the Final Subdivision Plat review process, on-site storm water detention facilities, or alternatives, as approved by the Park City Engineer, may be required. The timing for the construction of such storm water detention facilities shall be determined by the City Engineer, at the time of final Subdivision Plat review (the "**Storm Detention Facilities**"). Maintenance of on-site storm water detention facilities will be the responsibility of the Petitioner or of a future homeowner's association for common facilities.

8. **Water Rights.** Pursuant to the Annexation Petition the Petitioner owns 102.5 ac-ft of water under Water Right 35-8458, of which 42 ac-ft is utilized on the 13.75 acres for irrigation. Petitioner and City are currently working to resolve a title dispute on as much as 69 acre feet of the 102.5 acre feet. That dispute will not affect the implementation of this Annexation Agreement.

Previously, the Petitioner conveyed 7.5 ac-ft from Water Right 35-8458 to the lot owners within the Thayne's Creek Ranch Subdivision as part of the Thayne's Creek Ranch Annexation Agreement and Subdivision approval. An additional 10 ac-ft were conveyed to the Trust for Public Lands in connection with irrigation of the Conservation Easement on the 19.74 acre PCMC Parcel. Petitioner agrees to convey to lot purchasers one (1) acre foot from this water right for each of Lots 3 and 4, two (2) acre feet for each of Lots 1 and 2, four (4) acre feet for each of lots 6 and 7, and two and a half (2.5) acre feet for lot 5, the equestrian lot, for the purpose of irrigation and stock water, for a total of sixteen and a half

(16.5) acre feet. Park City also owns a portion of the same water right and uses it along with Park City's other water rights to irrigate the PCMC Parcel and other City-owned property.

Since filing the Annexation Petition, the Petitioner has conveyed 86 acre feet of the decreed water right to a third party who is unrelated to the Richards/PCMC Annexation. The underlying water right which is being segregated to represent the respective interests of the three parties (including the third party) has a priority date of 1882. Thus, this water right will be subject to priority cuts by the Utah Division of Water Rights.

The distribution of water represented by water rights which will be owned by Park City, the Petitioner, and the third party through open ditches, streams, and head gates will present challenges to Park City due to Park City operating the water distribution system above and below the proposed subdivision. Accordingly, PCMC and Petitioner will enter into a separate agreement regarding the delivery of water to the Petitioner's Property. (Hereafter the "Water Agreement").

As set forth in the Water Agreement, which will be approved by City Council, Petitioner and the City have agreed that the City will operate the head gates leading into the Petitioner's Property and proposed subdivision. City will operate the head gates in accordance with the water rights of record owned in the aggregate by the individual lot owners and the City. The Petitioner understands that Park City's operation of head gates will be subject to the Utah Division of Water Right's enforcement of water rights. Petitioner further understands that the City will not operate or in any way be responsible for the design, construction, or maintenance of the irrigation water delivery system within the subdivision.

The water agreement, be recorded separately, will also address improvements to the existing ditch system and infrastructure (improvements) that will be required to accurately divert and measure the correct flow rate to the Petitioner, the City, and the third party. The cost of improvements will be shared between the Petitioner and the City in proportion to each party's quantity of water, as provided in the Water Agreement.

City may convey water through the Petitioner's proposed subdivision as provided in the Water Agreement. It will be the responsibility of the water right owners in the subdivision to construct facilities to meet their irrigation needs based on this continuous flow and delivery location. City may elect to establish an irrigation turn system.

9. **Water Impact Fees and Other Water Facilities and Systems Costs.** Certain water facilities and systems internal to Petitioner's Property shall be required to be constructed and, to the extent they are dedicated to the City, easements therefore granted to the City, all of which shall be determined, and agreed to, by the affected parties and the City during the Final Subdivision review process (the "**Water Facilities and Systems**"). Any and all such Water Facilities and Systems shall be constructed to not less than the specifications reasonably required by the City Engineer. Petitioner acknowledges that water impact fees will be collected by City in the same manner and in the same amount as with other development within municipal boundaries and that impact fees so collected will not be refunded to Petitioner or to individual building permit applicants developing within the proposed annexation area. Ownership of water rights will not affect the application of the Impact Fee Ordinance to the Property.

10. **Affordable Housing Requirement.** Affordable/employee housing shall be provided in a manner consistent with the City's Affordable Housing Resolution 20-07. The affordable housing requirement is 0.9 Affordable Unit Equivalent (AUE) determined by applying the requirement for 15% of the six dwelling units to be constructed. One dwelling unit currently exists on the property. The 0.9 AUE equates to 810 square feet of net livable space, as one (1.0) AUE is 900 square feet of net livable space. Payment of fees in lieu of development of affordable units on or off-site is allowed at the discretion of the Park City Housing Authority in compliance with the criteria stated in the City's Affordable Housing Resolution 20-07, with in-lieu fee to be calculated based on the formula identified in the City's Affordable Housing Resolution (25-12). Timing of the completion of affordable units and timing of payment of fees in lieu of development are subject to the requirements of Affordable Housing Resolution 20-07.

11. **Sustainable Development requirements.** All construction of dwelling units within the Final Subdivision shall utilize sustainable site design, development and building practices and otherwise comply with requirements of the SF Zone. Unless otherwise approved in the Final Subdivision plat, in compliance with the current Environmental/ Sustainability Element of the General Plan, each home in the development must receive National Association of Home Builders National Green Building Standards Silver (or higher) Certification (or other Green Building certification as approved by the Planning Commission at the time of the Final Subdivision plat approval) *OR* reach LEED for Homes Silver (or higher) Rating. Green Building Certification and LEED for Homes Silver rating criteria to be used shall be those applicable at the time of building permit application.

In addition to the builder achieving the aforementioned points on the Green Building or LEED for Homes Silver (or higher), certification checklists, in order to achieve water conservation goals, the builder must also either:

- Achieve at a minimum, the Silver Performance Level points within Chapter 8, Water Efficiency, of the National Association of Home Builders National Green Building Standards; *OR*
- Achieve a minimum combined 10 points within the 1) Sustainable Sites (SS) 2) Landscaping and 2) Water Efficiency (WE) categories of the LEED for Homes Checklist; *OR*
- Achieve an equivalent water conservation standard applicable at the time of the building permit application.

Points achieved in these resource conservation categories will count towards the overall score. Application for the award certification and plaque commemorating LEED for Homes Silver (or higher) is at the discretion and expense of the Petitioner or individual Lot owner.

12. **Planning Review Fees.** Lot owners of lots within the proposed subdivision shall be responsible for all standard and customary, and generally-applicable planning, building, subdivision and construction inspection fees imposed by the City in accordance with the Park City Land Management Code and the Park City Municipal Code.

13. **Impact and Building Fees.** Lot owners of lots within the proposed subdivision shall be responsible for all standard and customary, and generally-applicable, fees, such as development, impact,

park and recreation land acquisition, building permit and plan check fees due and payable for construction on the Property at the time of application for any building permits. Ownership of water rights shall not change the application of the Impact Fee Ordinance to the Property.

14. **Acceptance of Public Improvements.** Subject to fulfillment of all the conditions of the Subdivision Ordinance and, further, Park City's final approval of the construction of any such public improvements, those water facilities, utilities, fire hydrants, and easements as may be agreed by Parties in connection with the Final Subdivision Plat review and approval process (the "**Public Improvements**"), shall be conveyed and dedicated to the City, for public purposes.

15. **Snow Removal and Storage.** Snow removal from private roads shall be the responsibility of the Property Owners. Park City shall not be obligated to remove snow from private sidewalks unless the sidewalks are classified as part of a community trail system and incorporated into the City wide snow removal program. Public snow storage easements shall be provided along Payday Drive and identified on the Final Subdivision plat to be located within the ten foot (10') public easement described in paragraph 4.

16. **Fiscal Impact Analysis.** The Fiscal Impact Analysis, prepared by Alliance Engineering for the Petitioner dated January 24, 2012 and updated with the revised preliminary subdivision plat prior to the September 26th, 2012 Planning Commission meeting, has been reviewed by the Planning Staff and Planning Commission. The Fiscal Impact Analysis concludes that the Annexation will not result in an overall negative impact on the City or School District. The analysis includes revenue and cost assumptions related to the Annexation and development of the Property, concludes a possible net fiscal gain to the School District is possible, based on the increase in property tax revenue for a mix of primary and secondary homes.

17. **Traffic Mitigation.** A review and analysis of impacts of the development on neighboring streets and major intersections was submitted with the Annexation petition. No mitigation measures are proposed due to the low density and low level of impact of the proposed development on local streets and at major intersections.

18. **Lease Agreement for Use of the PCMC Parcel.** A separate agreement will be entered into by Petitioner and PCMC ("Lease Agreement") for the use of the PCMC Parcel by Petitioner. All use of the PCMC Parcel shall be consistent with the March 24, 2005 Deed of Conservation Easement by and between Park City Municipal Corporation and in favor of Summit Land Conservancy (**Exhibit D**).

19. **Effective Date.** This Annexation Agreement is effective upon recordation of the annexation plat and the filing and recordation of the annexation ordinance, and further, the City provides notice of the recordation to the parties of this Annexation Agreement.

20. **Governing Law; Jurisdiction and Venue.** The laws of the State of Utah shall govern this Annexation Agreement. The City and Petitioner agree that jurisdiction and venue are proper in Summit County.

21. **Real Covenant, Equitable Servitude.** This Annexation Agreement constitutes a real covenant and an equitable servitude on the Property. The terms of this Agreement touch and concern and both benefit and burden the Property. The benefits and burdens of this Agreement run with the land,

and are intended to bind all successors in interest to any portion of the Property. This Agreement, a certified copy of the ordinance approving the Annexation (the "Annexation Ordinance"), and the Annexation Plat shall be recorded in the County Recorder's Office of Summit County, Utah.

22. **Assignment.** Neither this Agreement nor any of the provisions, terms or conditions hereof may be assigned to any other party, individual or entity without assigning the rights as well as the responsibilities under this Agreement and without the prior written consent of the City, which consent shall not be unreasonably withheld, conditioned or delayed. Any such request for assignment may be made by letter addressed to the City and the prior written consent of the City may also be evidenced by letter from the City to Petitioner or its successors or assigns; provided that, notwithstanding the foregoing, the City hereby consents to the assignment of the rights and responsibilities, and the benefits, of this Agreement, in whole or in part, upon written notice to the City; and provided that, in connection with and to the extent of any such assignment, Petitioner shall not have any further rights or responsibilities under this Agreement as and to the extent accruing from and after the date of any such assignment.

23. **Compliance with City Code.** Notwithstanding Paragraph 19 of this Agreement, from the time the Park City Council (the "**City Council**") approves of this Agreement and upon completion of the Annexation by recordation of the annexation plat with the County Recorder's Office of Summit County, Utah, the Property shall be subject to compliance with any and all City Codes and Regulations pertaining to the Property.

24. **Full Agreement.** This Agreement, together with the recitals and exhibits attached to this Agreement (which are incorporated in and made a part of this Agreement by this reference), and the written agreements expressly referenced herein, contain the full and complete agreement of the Parties regarding the Annexation of the Property into the City. Only a written instrument signed by all Parties, or their successors or assigns, may amend this Annexation Agreement.

25. **No Joint Venture, Partnership or Third Party Rights.** This Agreement does not create any joint venture, partnership, undertaking or business arrangement among the Parties. Except as otherwise specified herein, this Agreement, the rights and benefits under this Agreement, and the terms or conditions hereof, shall not inure to the benefit of any third party.

26. **Vested Rights.** Subject to the provisions of this Agreement, Petitioner (or its assigns) shall have the right to develop and construct the proposed Subdivision in accordance with the uses, density, and configuration of development approved in the Final Subdivision plat when approved, subject to and in compliance with other applicable ordinances and regulations of Park City.

27. **Nature of Obligations of Petitioner.** Applicant is liable for performance of the obligations imposed under this Agreement only with respect to the portion of property which it owns and shall not have any liability with respect to the portion of the property owned by the City.

28. **Severability.** If any part or provision of this Annexation Agreement shall be determined to be unconstitutional, invalid or unenforceable by a court of competent jurisdiction, then such a decision shall not affect any other part or provision of this Annexation Agreement except that specific provision determined to be unconstitutional, invalid, or enforceable. If any condition, covenant or other

provision of the Annexation Agreement shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by the law.

IN WITNESS WHEREOF, the parties hereto have executed this Annexation Agreement as of the 4 day of MARCH, 2013.
