TRANSIT

Welcome to Park City!

Welcome to Park City's FARE-FREE transit system. Skip traffic and save money as our buses get you where you need to go.

Health and Safety is Our Priority

Our system earned the American Public Transportation Association National Health & Safety Seal of Commitment. It means we're following official COVID-19 guidelines and working diligently to put health and safety first — yours AND our drivers'.

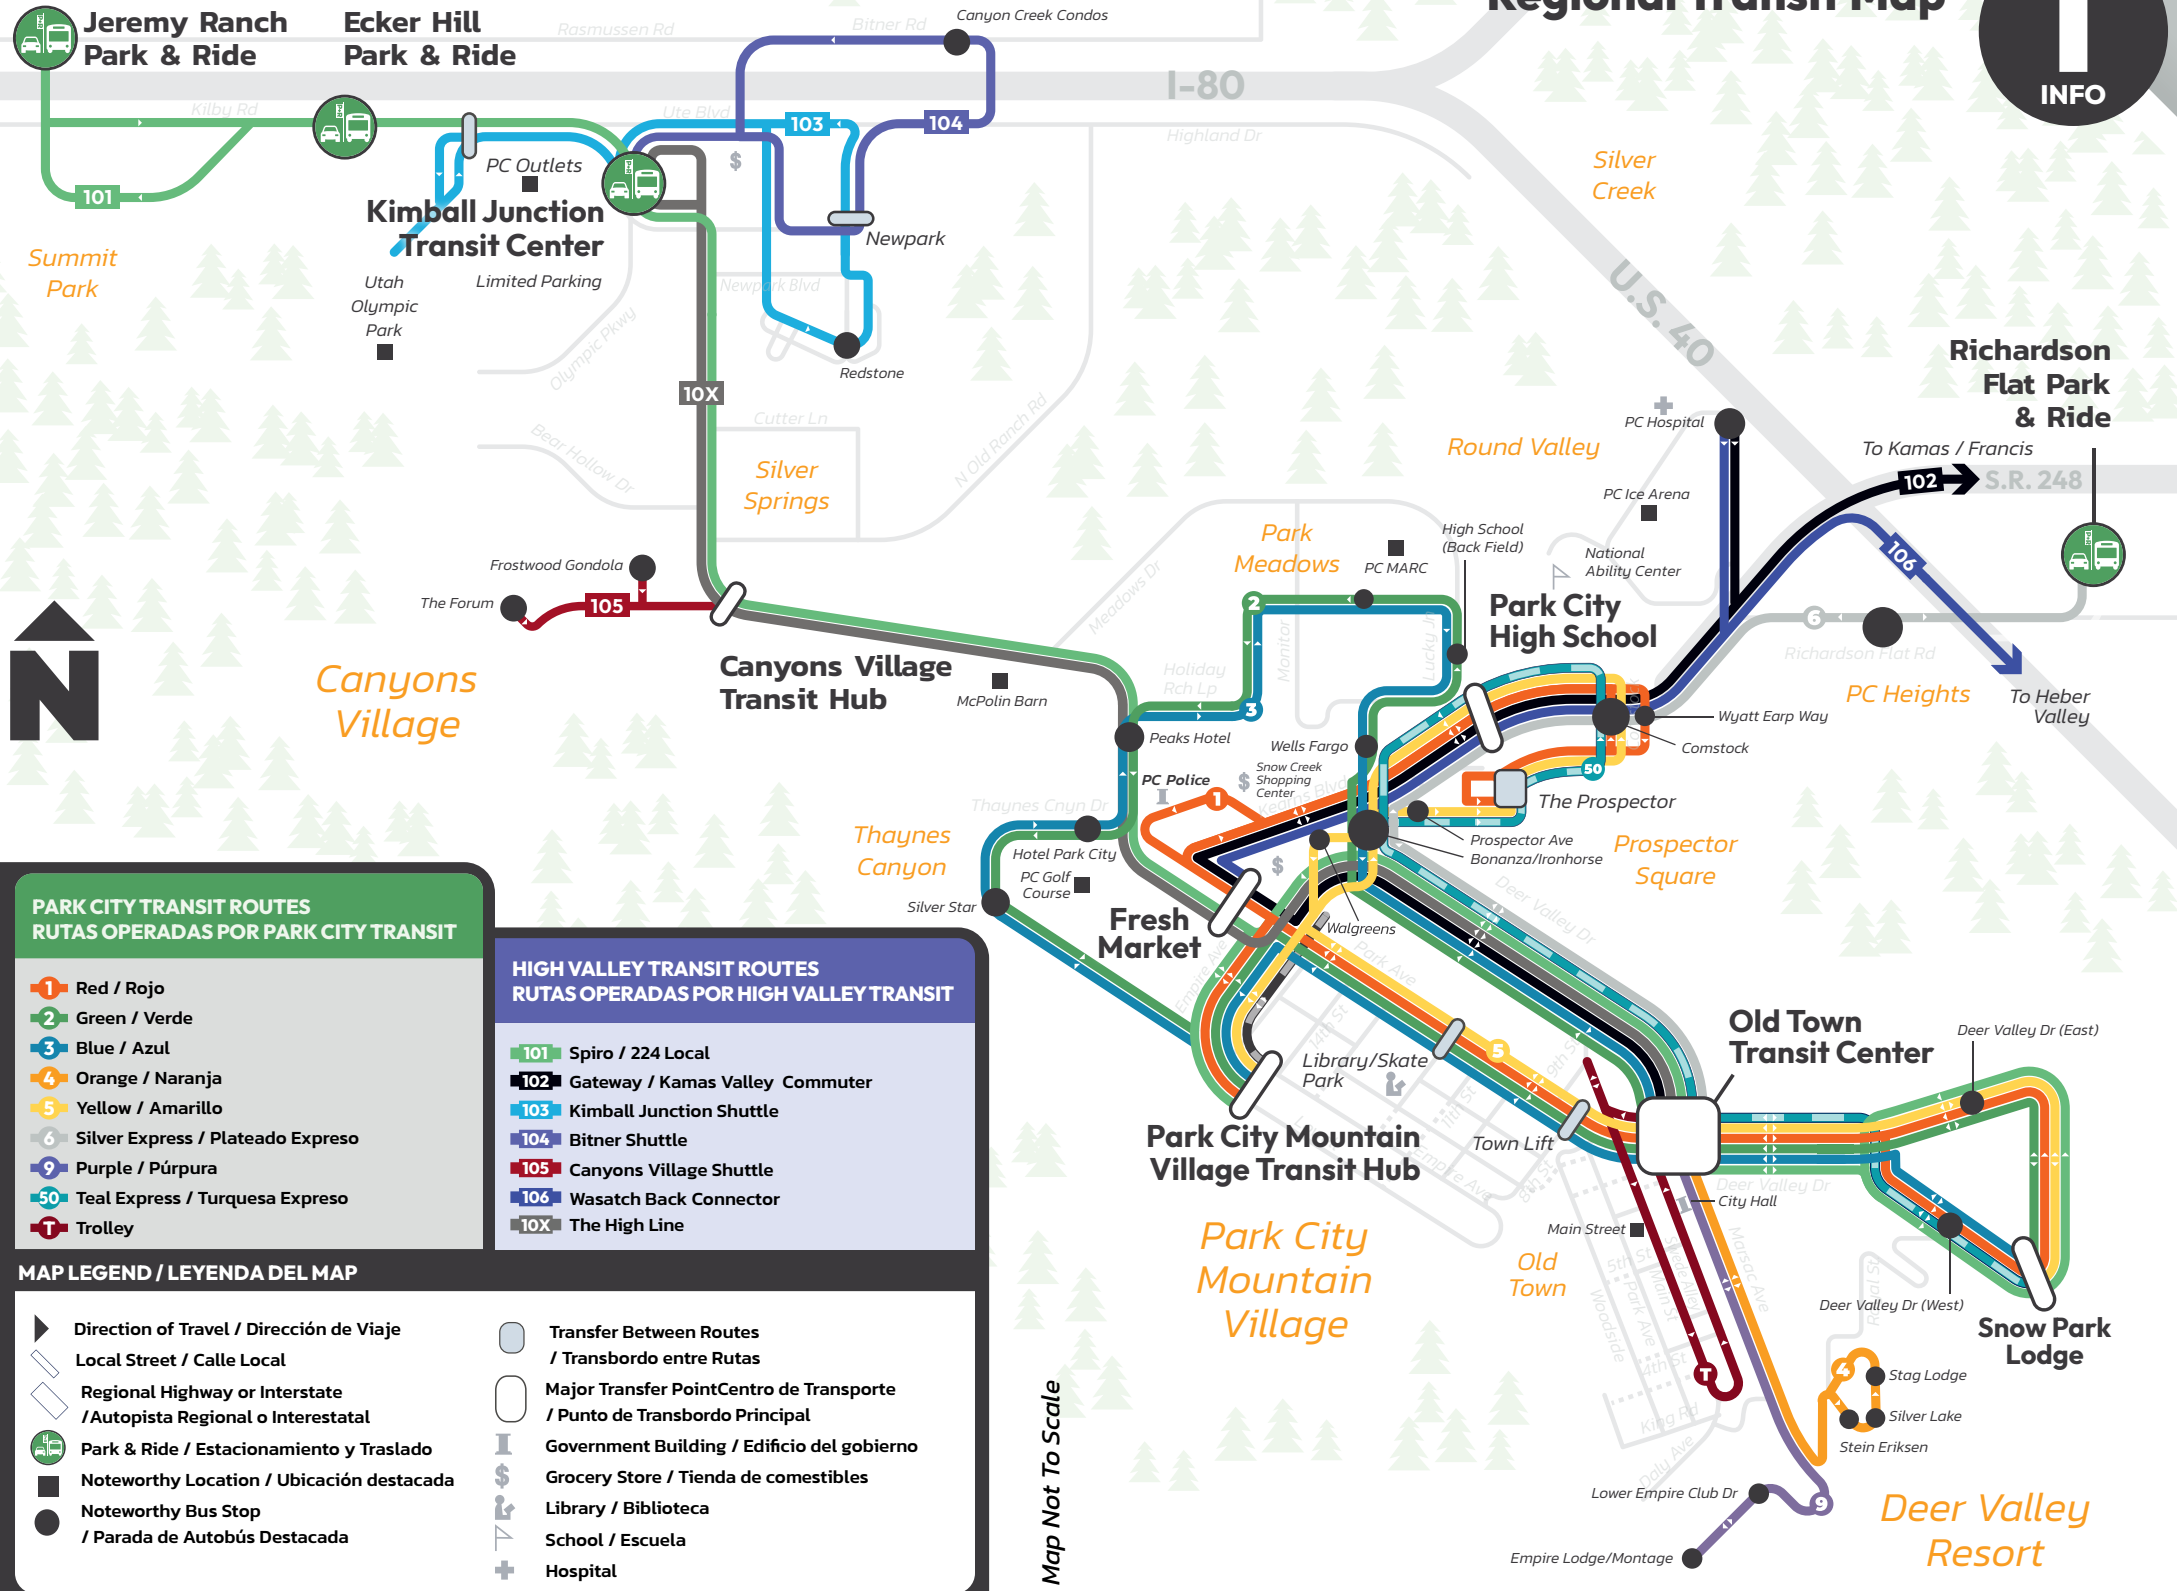

HOW YOU CAN HELP

- 1. Do not ride transit** if you are experiencing symptoms of COVID-19.
- 2. Visit our website** for the latest health and safety information.
- 3. Please follow all posted notices and guidelines.**

About This Guide

This guide contains information for **two different transit agencies**: Park City Transit and High Valley Transit. You're reading the Park City Transit section of the guide right now. For High Valley Transit info, flip to the middle of the booklet. Use the Regional Transit Map on the opposite page to learn more about how both systems connect to provide fare-free transit in the Park City region. Please note, the information in this guide is subject to change without notice. Please visit agency websites for the most up-to-date info.

Plan Your Trip

Visit the Bus Tracker on our website at go.parkcity.org or open the myStop Mobile app and go to Trip Planning. Type in your starting point and destination to get step-by-step transit directions. If you prefer, you can also go directly to Google Maps and set the mode to 'transit' for step-by-step directions. Google Maps will provide service information for both Park City Transit and High Valley Transit bus routes.

Maps and Schedules

Use the Regional Transit Map or trip planning tools to find your route. Go to the individual route maps in this booklet for more info on hours of service, frequency, bus stop locations, and scheduled timepoints.

How to Ride

Please plan to arrive at the bus stop at least five minutes before the bus is scheduled to leave. When the bus arrives, check the exterior displays on the front or rear of the vehicle to make sure you're boarding the correct bus. These displays will list the route, direction of travel, important destinations, and the last stop on that route (e.g. a 1 Red bus traveling to Deer Valley Resort will display "Inbound - Main St - Deer Valley"). If you need a ramp to enter the bus, please enter through the front door. Otherwise, either the rear or front door may be used to enter the bus.

Where is My Bus?

Web/Mobile: (Park City Transit buses only)

Use the Bus Tracker at go.parkcity.org. You can also download the free myStop Mobile app for iPhone and Android. Use either the Bus Tracker or app to select the routes you want to track in order to view bus locations in real-time. Please note, there may be a slight delay for a buses location in the app. It's best to arrive early at your stop before tracking your bus.

Text/SMS:

Text 'PC' + your stop ID to 321-123 (e.g. text 'PC1760' for the stop ID '1760'). Stop IDs are indicated on bus stop signage or in the Bus Tracker and myStop Mobile app.

To learn more, please visit:

Scan QR Code with your camera app to download the free 'myStop Mobile' app for iPhone or Android.

Bus Stops

For passenger safety, drivers are instructed to only pick up and drop off at designated bus stops. Bus stops are easy to find — just look for our signs near the curb. Locations of all bus stops and transfer points are indicated in this guide, as well as in the Bus Tracker and myStop Mobile app.

Service Updates

Service updates are posted to X (formerly known as Twitter) and Facebook, go.parkcity.org, and in the myStop Mobile app. To stay informed, follow us and download the app!

While on the Bus

Please allow others to exit before boarding and use handrails to steady yourself on the way to your seat. Please keep personal items with you at all times, and don't block aisles or exits. If you are sitting in a priority seating area, please vacate your seat for seniors and passengers with disabilities. For the safety of everyone on board, stand behind the white line and only talk to the driver while the bus is stopped. Buses will stop at all major transfer points, but you may need to request a stop at other locations. When you're ready to get off the bus, just pull the yellow cord above the window to request a stop.

For more information, please visit
howtoride.parkcitytransit.org

Accessibility

All Park City Transit buses are ADA accessible and our drivers are trained to assist those with disabilities. All our vehicles are equipped with boarding ramps. Please indicate to the driver at the front door that you need the bus or ramp to be lowered.

Safe Haven Program

If you feel that you are in imminent danger, you may board a Park City Transit bus and ask a driver to contact the police for you.

Guaranteed Ride Home

If you live or work in Summit County you're eligible for our Guaranteed Ride Home (GRH) program. This program reimburses your cost for a ride home in the event you need to leave work unexpectedly or miss your ride home after working unexpected overtime. Other guidelines and requirements apply.

TROLLEY

Hop on the historic Trolley and ride up Main Street from 10:50 AM–8:05 PM.

Catch the Trolley at a designated stop or stand anywhere along the route and wave the driver down. The Trolley also serves as a connection to Old Town Transit Center where transfers can be made to other routes in the system.

The Trolley is operated by Park City Transit, a FARE-FREE transit system.

Bikes on Park City Transit

Riding your bike is a convenient way to get to or from the bus stop. Every Park City Transit bus is equipped with a bike rack on the front of the vehicle that holds 2-3 bikes. Please note, the bike racks only accommodate standard tires, 2.4" or smaller. (No fat bike tires). In the event that all exterior bike racks are in use, the bus driver may allow you to bring your bike inside the bus at his or her discretion. To ensure passenger safety, a maximum of three bikes are allowed inside the bus at all times.

High Valley Transit rider's guide.

Welcome! We're so glad you're here.

High Valley Transit is the Wasatch Back's public transit network. We connect Wasatch, Salt Lake and Summit counties with several public transit modes all powered by technology.

Micro

Micro, short for microtransit, is an on-demand shared ride service running throughout the Snyderville Basin that allows you to book rides minutes before you travel. It works like a minibus that comes to you — book your ride in the HVT app and one of our custom branded vans will come right to you to pick you up.

Fixed route buses

These are public transit buses that run throughout the region. Six run all day with wait times typically every 15-30 minutes and three connect to the basin with limited trips and stops.

Use the High Valley Transit mobile app to make the most of your time here.

If you're looking for the fastest, easiest way to get where you're going, we've got you covered.

The HVT app lets you:

- ✓ Plan your entire trip from start to finish — input your pickup and dropoff addresses and the app will tell you the fastest way to get where you're going (bus, Micro, or both).
- ✓ Get detailed instructions on how to get to a bus stop.
- ✓ View the real time location of your bus as it approaches.

Download the **High Valley Transit** app or call (435) 246-1538 to get started.

Why Choose Park City Transit Advertising?

- **Transit advertising has a proven track record of effectiveness.** Buses serve as moving billboards, reaching a broad and diverse audience throughout the city. This high visibility ensures that your message gets noticed by both residents and visitors.
- **Non-intrusive:** Transit advertising integrates seamlessly into the urban landscape, allowing people to engage with your message at their own pace. It's a subtle way to capture their attention without interrupting their daily activities.
- **Limited competition:** Park City does not allow out-of-home advertising options within the city. This absence of competing billboards or other outdoor advertisements enhances the visibility and impact of transit advertising. Your message will stand out in a clutter-free environment.
- **In-bus advertising:** Advertising contracts are available for Winter, Summer, or Full-Year campaigns. Prices include printing and installation in over 25 buses in the Park City Transit fleet. Prices do not include design and other production costs. Advertisements will be randomly placed within the bus interior.

No Tips

- **Operators cannot accept tips.** We have 'no tips please' signs in all of the buses that say "If you would like to commend my service, please go here:" with a QR code (see below) that links to our feedback page.
