

PROFESSIONAL SERVICES AGREEMENT (MINOR)

This Professional Services Agreement – Minor (“**Agreement**”) is between PARK CITY MUNICIPAL CORPORATION, a Utah municipal corporation (“**PCMC**”), and ZIONS PUBLIC FINANCE, INC., a Utah corporation (the “**Service Provider**”).

PCMC and Service Provider want to enter into an agreement for the Service Provider to perform the services and tasks as specified below.

The parties therefore agree as follows:

ARTICLE 1 – SCOPE OF SERVICES.

- A. Scope of Services. Service Provider shall perform the services and tasks identified and designated as Service Provider responsibilities throughout this Agreement and as outlined in **Schedule A** attached to this Agreement (“**Scope of Services**”).
- B. Service Provider Representative. Service Provider designates **Erik Daenitz, Vice President Public Finance Relationship Manager**, as the authorized representative vested with the authority to act on behalf of the Service Provider. Service Provider may change its designated representative by providing written notice to PCMC.
- C. PCMC Representative. PCMC designates **Matt Dias, City Manager**, or their designee as its representative who has the authority to act on behalf of PCMC.

ARTICLE 2 – TERM.

This Agreement will become effective as of the date the last party signed it as indicated by the date associated with that party’s signature. The term of this Agreement ends at midnight on **07/19/24** unless terminated sooner or extended as provided in this Agreement.

OPTIONAL: PCMC may at its sole option extend the term of this Agreement for one additional period of 90 days by notifying Service Provider in writing at least 30 days prior to the expiration of this Agreement.

ARTICLE 3 – COMPENSATION, INVOICING, AND PAYMENT.

- A. Compensation. For performance of the Scope of Services, PCMC shall pay a total fee in an amount not to exceed **\$45,000.00**. Any work performed beyond the defined Scope of Services requires a written request from PCMC. Compensation for such additional work shall adhere to the terms outlined in **Schedule B**, if attached. In the absence of a **Schedule B**, any compensation for extra work shall be determined based on a mutually agreed-upon written agreement between both parties.

- B. Invoicing and Payment. Service Provider shall invoice PCMC on a monthly basis for services completed during that period. PCMC shall pay Service Provider within 30 days of receipt of each invoice. Requests for earlier payment will be considered if a discount is offered for the earlier payment. For services that remain unpaid for a period exceeding 60 days, interest will accumulate at a rate of six percent per annum.

ARTICLE 4 – SERVICE STANDARDS AND COMPLIANCE WITH LAWS.

- A. Service Standards. Service Provider shall be responsible for the quality of all services performed by its employees, agents, subcontractors, and all other persons (collectively, “**Subcontractors**”) performing any services under this Agreement. All services shall be executed with competence and in conformity with the standard of care, diligence, and skill typically exercised by professionals within the Service Provider’s field.
- B. Conformance to Laws. In providing services under this Agreement, Service Provider and its Subcontractors shall comply with all applicable federal, state, PCMC, and other local laws, regulations, and ordinances, including applicable licensure and permit requirements, regulations for certification, operation of facilities, and accreditation, employment laws, and any other standards or criteria described in this Agreement.
- C. E-Verify. Service Provider shall register and participate in E-Verify or an equivalent program for each employee employed within the state of Utah if this Agreement is entered into for the physical performance of services within Utah, unless exempted by Utah Code § 63G-12-302. Service Provider shall require that each of its Subcontractors, at every tier, certify under penalty of perjury that each Subcontractor has registered and is participating in E-Verify or an equivalent program, to the extent applicable.

ARTICLE 5 – RECORDS AND INSPECTIONS.

- A. Records. Service Provider shall keep any records, documents, invoices, reports, data, information, and all other material regarding matters covered, directly or indirectly, by this Agreement for six years after expiration of this Agreement. This includes everything necessary to properly reflect all expenses related to this Agreement and records of accounting practices necessary to assure proper accounting of all expenses under this Agreement.
- B. Inspection of Records. Service Provider shall make all of the records referenced in this section available for inspection to PCMC, its authorized representatives, the State Auditor, and other government officials authorized to monitor this Agreement by law. Service Provider must permit PCMC or its authorized representative to audit and inspect any data or other information relating to this Agreement. PCMC reserves the right to initiate an audit of the Service Provider’s activities concerning this Agreement, at the expense of PCMC, utilizing an auditor selected by PCMC.

- C. Government Records Access and Management Act. PCMC is subject to the requirements of the Government Records Access and Management Act, Title 63G, Chapter 2 of the Utah Code (“**GRAMA**”). All materials submitted by Service Provider related to this Agreement are subject to disclosure unless the materials are exempt from disclosure under GRAMA. The burden of claiming an exemption from disclosure rests solely with Service Provider. Any materials for which Service Provider claims an exemption from disclosure based on business confidentiality as provided in Utah Code § 63G-2-309 (or successor provision) must be marked as “Confidential” and accompanied at the time of submission by a statement from Service Provider explaining the basis for the claim. Generally, GRAMA only protects against the disclosure of trade secrets or commercial information that could reasonably be expected to result in unfair competitive injury. PCMC will make reasonable efforts to notify Service Provider of any requests made for disclosure of documents submitted under a claim of confidentiality. Service Provider specifically waives any claims against PCMC related to disclosure of any materials pursuant to GRAMA.

ARTICLE 6 – RELATIONSHIP OF PARTIES.

- A. Independent Contractor. The parties intend that Service Provider is an independent contractor and not an employee of PCMC. Except as specifically provided in this Agreement, the parties intend that Service Provider has no authority to act on behalf of PCMC.
- B. Subcontractor Relationship. The Service Provider shall have full control and authority over performance and activities of its Subcontractors throughout the execution of this Agreement. It is the sole responsibility of Service Provider to ensure that its Subcontractors adhere to the terms and conditions outlined in this Agreement. Furthermore, Service Provider shall bear full responsibility for any actions or omissions of its Subcontractors.
- C. Treatment of Assets. Neither party will have an interest in the intellectual property owned or licensed by the other party, unless otherwise agreed by the parties in writing. PCMC will become the owner of all deliverables, work product, and other materials specifically created by the Service Provider and its Subcontractors under this Agreement.

ARTICLE 7 – INDEMNIFICATION.

- A. Definitions. In this Agreement, the following definitions apply:
- (1) “**Indemnifiable Losses**” means the aggregate of Losses and Litigation Expenses.

- (2) **“Litigation Expense”** means any reasonable out-of-pocket expense incurred in defending a Proceeding or in any related investigation or negotiation, including court filing fees, court costs, arbitration fees, witness fees, and attorneys’ and other professionals’ fees and disbursements.
 - (3) **“Loss”** means any amount awarded in, or paid in settlement of, any Proceeding, including any interest but excluding any Litigation Expenses.
 - (4) **“Proceeding”** means any investigation, claim, judicial, administrative, or arbitration action or lawsuit, or other cause of action of every kind or character, brought by third parties against PCMC, its agents, employees, or officers, that arises out of this Agreement or the performance of this Agreement by Service Provider or its Subcontractors or subconsultants of any tier, or anyone acting under Service Provider’s direction or control, including after the expiration or termination of this Agreement.
- B. **Indemnification.** Service Provider shall indemnify PCMC and its agents, employees, and officers against all Indemnifiable Losses arising out of a Proceeding, except to the extent the Indemnifiable Losses were caused by the negligence or willful misconduct of PCMC.
- C. **Obligation to Defend.** Service Provider shall, at its sole cost and expense, defend PCMC and its agents, employees, and officers from and against all Proceedings, provided that Service Provider is not required to defend PCMC from any Proceeding arising from the sole negligence of PCMC or its agents, employees, or officers.
- D. **Tender.** Service Provider’s obligation to defend will arise upon PCMC’s tender of defense to Service Provider in writing. If PCMC fails to timely notify Service Provider of a Proceeding, Service Provider will be relieved of its indemnification obligations to the extent that Service Provider was prejudiced by that failure. Upon receipt of PCMC’s tender of defense, if Service Provider does not promptly notify PCMC of its acceptance of the defense and thereafter duly and diligently defend PCMC and its agents, employees, and officers, then Service Provider shall pay and be liable for the reasonable costs, expenses, and attorneys’ fees incurred in defending the Proceeding and enforcing this provision.
- E. **Legal Counsel.** To assume the defense, Service Provider must notify PCMC of their intent to do so. Promptly thereafter, Service Provider shall retain independent legal counsel that is reasonably acceptable to PCMC.
- F. **Settlement.** After Service Provider assumes the defense of a Proceeding, Service Provider may contest, pay, or settle the Proceeding without the consent of PCMC only if that settlement (1) does not entail any admission on the part of PCMC that it violated any law or infringed the rights of any person, (2) provides as the claimant’s sole relief monetary damages that are paid in full by Service Provider, and (3) requires that the

claimant release PCMC and its agents, employees, and officers from all liability alleged in the Proceeding.

- G. Waiver. Service Provider expressly agrees that the indemnification provision herein constitutes the Service Provider's waiver of immunity under Utah Code § 34A-2-105 for the purposes of this Agreement. This waiver has been mutually negotiated by the parties. The provisions of this section shall survive the expiration or termination of this Agreement. No liability shall attach to PCMC by reason of entering into this Agreement except as expressly provided herein.
- H. No Limitation. The indemnification obligations of this Agreement shall not be reduced by a limitation on the amount or type of damages, compensation, or benefits payable by or for the Service Provider or Subcontractor under workers' compensation acts, disability benefits acts, or other employee benefit acts.
- I. Interpretation. The parties intend that the indemnity and defense provisions in this Article shall be interpreted so as to be enforceable to the fullest extent permitted by law, but nothing herein shall be interpreted to violate public policy.
- J. Environmental Indemnity. Service Provider shall indemnify PCMC, its agents, employees, and officers for any Indemnifiable Losses from a Proceeding arising out of Service Provider's violation of federal, state, or local environmental laws or regulations, and shall include but not be limited to all cleanup and remedial costs, diminution in value of property, and any fines or fees imposed as a result.

ARTICLE 8 – INSURANCE.

At its own cost and expense, Service Provider shall maintain the following mandatory insurance coverage to protect against claims for injuries to persons or property damage that may arise from or relate to the performance of this Agreement by Service Provider, its agents, representatives, employees, or Subcontractors for the entire duration of this Agreement or for such longer period of time as set forth below. Prior to commencing any work, Service Provider shall furnish a certificate of insurance as evidence of the requisite coverage. The certificate of insurance must include endorsements for additional insured, waiver of subrogation, primary and non-contributory status, and completed operations.

- A. Automobile Liability Coverage. Service Provider shall maintain automobile liability insurance with limits as required by statutory law.
- B. Professional Liability Insurance. Service Provider shall maintain professional liability insurance with annual limits not less than \$1,000,000 per occurrence. If written on a claims-made basis, Service Provider shall maintain professional liability insurance coverage meeting these requirements for the applicable period of statutory limitation of

claims (or statute of repose, if applicable) after completion of the Scope of Services or termination of this Agreement.

- C. Workers' Compensation Insurance and Employer's Liability. Service Provider shall maintain workers' compensation insurance with limits not less than the amount required by statute, and employer's liability insurance limits of at least \$1,000,000 each accident, \$1,000,000 for bodily injury by accident, and \$1,000,000 each employee for injury by disease. The workers' compensation policy must be endorsed with a waiver of subrogation in favor of "Park City Municipal Corporation" for all work performed by the Service Provider, its employees, agents, and Subcontractors.
- D. Umbrella/Excess Coverage. The insurance limits required by this section may be met by either providing a primary policy or in combination with umbrella / excess liability policy(ies). To the extent that umbrella/excess coverage is used to satisfy the limits of coverage required hereunder, the terms of such coverage must be following form to, or otherwise at least as broad as, the primary underlying coverage, including amending the "other insurance" provisions as required so as to provide additional insured coverage on a primary and non-contributory basis, and subject to vertical exhaustion before any other primary, umbrella/excess, or any other insurance obtained by the additional insureds will be triggered.
- E. Insured Parties. Each policy and all renewals or replacements, except those policies for Professional Liability, and Workers Compensation and Employer's Liability, must name PCMC (and its officers, agents, and employees) as additional insureds on a primary and non-contributory basis with respect to liability arising out of work, operations, and completed operations performed by or on behalf of Service Provider.
- F. Waiver of Subrogation. Service Provider waives all rights against PCMC and any other additional insureds for recovery of any loss or damages to the extent these damages are covered by any of the insurance policies required under this Agreement. Service Provider shall cause each policy to be endorsed with a waiver of subrogation in favor of PCMC for all work performed by Service Provider, its employees, agents, and Subcontractors.
- G. Quality of Insurance Companies. All required insurance policies must be issued by insurance companies qualified to do business in the state of Utah and listed on the United States Treasury Department's current Department of Treasury Fiscal Services List 570, or having a general policyholders rating of not less than "A-" in the most current available A.M. Best Co., Inc.'s, Best Insurance Report, or equivalent.
- H. Cancellation. Should any of Service Provider's required insurance policies under this Agreement be cancelled before the termination or completion of this Agreement, Service Provider must deliver notice to PCMC within 30 days of cancellation. PCMC may

request and Service Provider must provide within 10 days certified copies of any required policies during the term of this Agreement.

- I. Additional Coverage. Notwithstanding anything to the contrary, if Service Provider has procured any insurance coverage or limits (either primary or on an excess basis) that exceed the minimum acceptable coverage or limits set forth in this Agreement, the broadest coverage and highest limits actually afforded under the applicable policy(ies) of insurance are the coverage and limits required by this Agreement and such coverage and limits must be provided in full to the additional insureds and indemnified parties under this Agreement. The parties expressly intend that the provisions in this Agreement will be construed as broadly as permitted to be construed by applicable law to afford the maximum insurance coverage available under Service Provider's insurance policies.
- J. No representation. In specifying minimum Service Provider's insurance requirements, PCMC does not represent that such insurance is adequate to protect Service Provider from loss, damage or liability arising from its work. Service Provider is solely responsible to inform itself of types or amounts of insurance it may need beyond these requirements to protect itself.

ARTICLE 9 – NONDISCRIMINATION.

- A. Nondiscrimination. Service Provider shall not discriminate against any employee or applicant for employment because of race; ethnicity; color; pregnancy, childbirth, or pregnancy-related conditions; age, if the individual is 40 years of age or older; religion; national origin; disability; sexual orientation; gender identity; or military status.
 - (1) Policy. Service Provider shall implement an employment nondiscrimination policy, if Service Provider does not already have such a policy, to effectuate the prohibition in this section; and
 - (2) Subcontractor Flow-Through. Service Provider shall incorporate the foregoing non-discrimination provisions in all subcontracts or assignments under this Agreement and take action as required to ensure full compliance with the provisions of this non-discrimination policy.

ARTICLE 10 – ASSIGNMENT/SUBCONTRACTING.

- A. Assignment. Service Provider shall not assign any portion of its performance under this Agreement without PCMC's written consent. Consent must be sought in writing by the Service Provider not less than 30 days before the date of any proposed assignment. PCMC reserves the right to reject assignment without cause. Any purported transfer in violation of this section will be void.

- B. Subcontracting. Service Provider shall obtain advance written consent from PCMC for any Subcontractor not identified in the Scope of Services.

ARTICLE 11 – TERMINATION.

- A. Convenience. Either party may terminate this Agreement for any reason or no reason by giving the other party at least 30 days’ prior written notice. This Agreement will terminate at midnight at the end of the 30th day after that notice is effective. Service Provider must be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination, according to the provisions of this Agreement.
- B. For Cause. If Service Provider fails to comply with any provision of this Agreement and fails to correct noncompliance within three days of having received written notice, PCMC may immediately terminate this Agreement for cause by providing a notice of termination to Service Provider.

ARTICLE 12 – NOTICES.

- A. Notice Addresses. For a notice or other communication to a party under this Agreement to be valid, it must be addressed using the information specified below for that party or any other information specified by that party in a notice delivered in accordance with this section.

To PCMC: Park City Municipal Corporation
P.O. Box 1480
Park City, UT 84060-1480
Attn: City Attorney’s Office
PCMC_Notices@parkcity.org

With a copy to:

- PCMC’s Representative pursuant to Article 1.C.
- PCMC’s City Recorder at michelle.kellogg@parkcity.org.

To Service Provider: Zions Public Finance, Inc.
One South Main St., 18th Floor
Salt Lake City, UT 84133

- B. Delivery. A notice or other communication under this Agreement will be effective if it is in writing and received by the party to which it is addressed. It will be deemed to have been received as follows: (1) upon receipt as stated in the tracking system of a delivery organization that allows users to track deliveries; (2) when the intended recipient signs for the delivery; (3) when delivered by email to the intended recipient with a read receipt, an acknowledgement of receipt, or an automatic reply.

- C. Refusal or Inability to Deliver. If the intended recipient rejects or otherwise refuses to accept delivery, or if it cannot be delivered because of a change of address for which no notice was given, then delivery is effective upon that rejection, refusal, or inability to deliver.
- D. Time of Delivery. If a notice or other communication addressed to a party is received after 5:00 p.m. on a business day at the location specified in the address for that party, or on a day that is not a business day, then the notice will be deemed received at 9:00 a.m. on the next business day.

ARTICLE 13 – MISCELLANEOUS PROVISIONS.

- A. Entire Agreement. This Agreement constitutes the entire understanding between the parties regarding the subject matter of this Agreement.
- B. Modification and Waiver. To be effective, any modification to this Agreement or to the Scope of Services must be in writing and signed by both parties. No waiver under this Agreement will be effective unless it is in writing and signed by the party granting the waiver (in the case of PCMC, by an individual authorized by PCMC to sign the waiver). A waiver granted on one occasion will not operate as a waiver on other occasions.
- C. Timely Performance. Service Provider shall complete the Scope of Services by any applicable deadline stated in this Agreement. Service Provider is liable for all reasonable damages to PCMC incurred as a result of Service Provider’s failure to timely perform the Scope of Services required under this Agreement.
- D. Governing Law, Jurisdiction, Venue. Utah law governs all adversarial proceedings arising out of this Agreement or the subject matter of this Agreement. As the exclusive means of bringing adversarial proceedings to resolve any dispute arising out of this Agreement or the subject matter of this Agreement, a party may bring such a proceeding in courts of competent jurisdiction in Summit County, Utah.
- E. Severability. The parties acknowledge that if a dispute between the parties arises out of this Agreement or the subject matter of this Agreement, it would be consistent with the wishes of the parties for a court to interpret this Agreement as follows: (1) with respect to any provision that it holds to be unenforceable, by modifying that provision to the minimum extent necessary to make it enforceable or, if that modification is not permitted by law, by disregarding that provision; (2) if an unenforceable provision is modified or disregarded in accordance with this section, by holding that the rest of the Agreement will remain in effect as written; (3) by holding that any unenforceable provision will remain as written in any circumstances other than those in which the provision is held to be unenforceable; and (4) if modifying or disregarding the

unenforceable provision would result in failure of an essential purpose of this Agreement, by holding the entire Agreement unenforceable.

- F. No Non-Party Rights. Nothing in this Agreement is intended to grant rights of any kind to any non-party or create third-party beneficiary rights of any kind.

- G. Force Majeure. For purposes of this Agreement, a Force Majeure Event means any event or circumstance, regardless of whether it was foreseeable, that was not caused by that party and that prevents a party from complying with any of its obligations under this Agreement, but a Force Majeure Event will not include any strike or labor unrest, an increase in prices, a change in general economic conditions, or a change of law. A party that is prevented by the occurrence of a Force Majeure Event from performing any one or more obligations under this Agreement will not be liable for any failure or delay in performing those obligations, on condition that the non-performing party uses reasonable efforts to perform. The non-performing party shall promptly notify the other party of the occurrence of a Force Majeure Event and its effect on performance. Thereafter, the nonperforming party shall update the other party as reasonably necessary regarding its performance. The nonperforming party shall use reasonable efforts to limit damages to the other party and to complete its full performance under this Agreement.

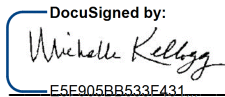

Each party is signing this Agreement on the date stated opposite that party's signature.

Exhibit B-1
Zions Public Finance, Inc.
Disclosure Statement of
Municipal Advisor

REGULATORY DISCLOSURES: MSRB RULE G-42

The Municipal Securities Rulemaking Board (MSRB) Rule G-42 requires all Municipal Advisors to disclose to their clients, in writing, any actual or potential material conflicts of interest, including with respect to certain specifically identified categories in Rule G-42, if applicable. Zions Public Finance, Inc. (hereinafter "Zions") makes the disclosures set forth below with respect to material actual or potential conflicts of interest in connection with our Agreement for Municipal Advisory Services (the "Agreement") dated _____ with CLIENT, together with an explanation of how Zions addresses, or intends to manage or mitigate each conflict.

Mitigation of Conflicts of Interest

With respect to each actual or potential conflict disclosed below, (i) for its municipal entity CLIENT, Zions mitigates such conflicts through adherence to SEC and MSRB rules, including compliance with our fiduciary duty and duty of fair dealing to the CLIENT, which includes a duty of loyalty in performing all municipal advisory activities for CLIENT and (ii) for its obligated person CLIENT, Zions mitigates such conflicts through adherence to SEC and MSRB rules, including compliance with our duty of care and duty of fair dealing, in performing all municipal advisory activities for CLIENT. Because Zions is part of a much larger banking organization, our profitability is not dependent on maximizing short-term revenues generated from our municipal advisory activities, but instead is dependent on long-term profitability built on a foundation of integrity, quality service, and compliance with SEC and MSRB rules.

Compensation Based Conflicts

Zions may receive compensation from CLIENT for services rendered which may be contingent upon the successful closing of a transaction, and/or where our compensation may be based in whole or in part on the size of the transaction. In other situations, our compensation may be based upon an hourly rate or rates. In still other situations, our compensation may be based upon an annual retainer or a fixed fee for a given project. While these forms of compensation are typical in the municipal securities market, each of these methods of compensation may present a potential conflict of interest regarding our ability to provide unbiased advice to enter into such transaction.

For example, fees that are (i) dependent upon the size of and successful closing of a transaction could create an incentive for Zions to recommend unnecessary, oversized, or disadvantageous financings in order to increase our compensation; (ii) based upon an hourly rate could create an incentive for Zions to recommend alternatives that result in greater hours worked; and (iii) based upon an annual retainer or fixed fee could incentivize Zions to recommend less time-consuming alternatives or fail to do a more thorough analysis of alternatives. In each case, Zions represents that the potential conflict of interest relating to compensation will not impair our ability to render unbiased and competent advice, to fulfill our duties as described above to the CLIENT, and to comply with SEC and MSRB rules.

Relationship Based Conflicts

Zions has numerous municipal advisory relationships with various governmental entities that may from time to time have interests that could have a direct or indirect impact on CLIENT's interests. For example, Zions' other municipal advisory clients may from time to time, and depending on specific circumstances, have competing interests, such as accessing the new issue market with the most advantageous timing and with limited competition at the time of the offering. In acting in the interests of its various clients, Zions could potentially face a conflict of interest arising from these competing client interests. In addition to the general mitigations described above, Zions will mitigate any such potential conflict through full written disclosure to CLIENT in a timely manner.

In addition to serving as municipal advisor to CLIENT, Zions may, from time to time, serve as a municipal advisor to a conduit borrower. In such event, CLIENT and the conduit borrower may have conflicting interests with regard to fees, terms of the issuance, and other matters. In addition to the general mitigations described above, Zions will mitigate any such potential conflict through full written disclosure to both the conduit borrower and CLIENT in a timely manner.

Affiliate Based Conflicts

As a part of ZIONS BANCORPORATION, N.A., a nationally-chartered banking association, Zions has many affiliated businesses that have provided, or desire to provide, services to governmental entities, including CLIENT.

These affiliates include:

- Zions Bank Corporate Trust, a service department of ZIONS BANCORPORATION, N.A, and related to Zions ("Corporate Trust"), offers corporate trustee and custodial services to municipal issuers and obligated persons. If a client engages in these services, it is done directly with Corporate Trust under a separate agreement.
- Zions Capital Advisor Institutional Liquidity Management ("ZCA"), an affiliate and SEC registered investment advisor provides discretionary money management to institutional clients for a fee. If the client engages ZCA for these services, it will be dealing directly with ZCA under its own agreement and disclosures.
- Zions Bank Capital Markets, an affiliated bank dealer, provides underwriting and dealer services to institutional clients including municipal issuers. Additionally, the dealer may take positions or underwrite securities for other municipal issuers.
- Zions Bank, a division of ZIONS BANCORPORATION, N.A, provides traditional banking services to municipal clients through their branch locations and treasury departments. Any products or services offered are subject to the terms and conditions of the bank agreement for the engagement.

Corporate Trust is the only affiliate that may be expected to provide services that are directly related to the Municipal Advisory activities to be provided by Zions within the scope of services under the Agreement. Corporate Trust acts as a Paying Agent, Registrar, Trustee, and Escrow Agent to municipal clients on municipal financings. Corporate Trust's desire to do business with CLIENT could create an

incentive for Zions to recommend a course of action that increases the level of CLIENT's business activity with this affiliate. In addition to the general mitigations described above, in the event that Zions makes a recommendation to CLIENT that could influence the level of business with Corporate Trust, Zions will consider alternatives to such recommendations which will be disclosed to CLIENT along with the potential impact such recommendations and alternatives would have on CLIENT and the affiliate.

As further described below, Zions Bank, an affiliate of Zions, may from time to time make bank loans to or purchase leases or securities from CLIENT, which such loans and purchases are expressly excluded from the scope of the Agreement.

After reviewing our list of existing affiliate relationships and upcoming transactions, we cannot identify any existing material conflicts of interest that would prevent us from serving as municipal advisor to CLIENT or that are not mitigated by compliance with SEC and MSRB rules. If Zions becomes aware of any additional potential or actual material conflicts of interest after this initial disclosure, Zions will disclose the detailed information, in writing, to CLIENT in a timely manner.

Legal or Disciplinary Events

Zions does not have any legal or disciplinary events disclosed on Zions' Form MA or any Form MA-I. These forms include information about any criminal actions, regulatory actions, investigations, terminations, judgements, liens, civil judicial actions, customer complaints, arbitrations and civil litigation. Each of Zions' most recent Form MA and Form MA-I filed with the SEC may be accessed electronically on the following website: www.sec.gov/edgar/searchedgar/companysearch.html.

If any material legal or disciplinary event is required to be disclosed on Form MA or any Form MA-I, Zions will provide such disclosure to you, allowing you to evaluate such legal or disciplinary event.

Contract Exemption for Bank Transactions

In our proposed Municipal Advisory Agreement, there is a provision that specifically excludes from the Agreement commercial banking transactions between Zions and the CLIENT ("Bank Transactions").

If a municipal entity CLIENT determines that it would like one of Zions' affiliates to directly engage in a Bank Transaction, and provided that Zions has not previously provided any advice to municipal entity CLIENT on the Bank Transaction, Zions will deliver to municipal entity CLIENT an additional disclosure document.
