Forty-four inches (44") of clear sidewalk width shall be available at all times where the street dining deck is constructed. Each outdoor dining deck shall not exceed forty feet (40') in length.
2. Location/Proximity/Spacing. The City reserves the right to reject an application for an outdoor dining deck:
 - If the proposed deck is too close to a previously existing deck and would eliminate needed parallel parking along Main Street thus creating a concentrated parking issue.
 - If the proposed deck is for a restaurant that does not have direct access at street level.
 - If the proposed deck is for a business with existing outdoor dining space and the expansion of such is deemed excessive.

- If the proposed deck creates too much private use of the public right-of-way that may be deemed detrimental to the health, safety, and welfare of the area.
 - The Building, Planning, and Engineering Departments will review the location, proximity, and spacing of each street dining deck as well as impacts of traffic and public safety concerns. A recommendation will be given to the City Council for final review and approval.
3. Hours of Operation. The street dining decks shall be utilized for street dining and shall serve two (2) meal services seven (7) days a week for the duration that the decks are in the Right of Way. The railing shall be painted solid to also complement the building. While outdoor dining deck is not subject to a complete Historic District Design Review (HDDR), the guidelines are applicable to the project.
 5. Height. The maximum height of the deck shall not exceed thirty-six inches (36") measured from existing grade to the base/floor of the deck at any given point. The layout of the deck may include a step to meet the maximum height allowed.
 6. Advertising. Additional signing or advertising beyond what is allowed by the Park City Sign Code is prohibited.
 7. Furniture. All tables and chairs shall be metal, wood, or other comparable material. Plastic furniture shall not be allowed. All furniture must be approved by the Planning Department per the historic district design review.
 8. Umbrellas. Umbrellas must be free standing and are prohibited from extending beyond the dining area. Any umbrellas shall be affixed permanently to the deck as required by the International Building Code requirements (including fire standards) and shall not create any public hazard.
 9. Lighting. No additional electric lighting is permitted, including exterior building lighting.
 10. Planters. Any proposed landscaping or atmosphere pieces shall be reviewed at the time of initial application and shall not create any public hazard or unnecessary clutter. All plant material must be maintained in a manner that ensures their viability throughout the summer outdoor dining season.
 11. Use. The use of the Premises shall not conflict with any previously existing Special Events on Main Street.
 12. Licensing. The additional square footage of the dining area must be added to

the existing licensed area for the restaurant. The Tenant shall also adhere to other applicable City and State licensing ordinances, including the Department of Alcoholic Beverage Services. It is the responsibility of the Tenant to ensure that all licenses are properly obtained and adhered to.

16. Maintenance. The dining area shall be clean and maintained in a neat and orderly fashion.
17. Storage. All equipment and other associated materials must be removed and stored on private property during prohibited times (off season). No material associated with the outdoor dining decks may be stored outdoors on-site during the off-season.
18. Removal. Decks must be completely removed from the Right-of-Way prior to the end of business day October 30. If the outdoor dining structure is not removed as required, the City will remove the structure at cost to compensate for the employees and equipment needed to complete the task.
19. Drainage. Design of the deck and its skirting shall not interfere with the existing street drainage. Deck plans shall be reviewed by the City for drainage and may be modified so as to not interfere with the existing drainage patterns of the street. Decks that have drains directly under them or downhill will be required to install screening to ensure waste does not enter the system.
20. Utilities. Access to utilities shall not be hindered by the structures. No outdoor dining decks will be approved if located in an area that blocks access to fire hydrants, etc. No new utility lines shall be installed as a result of the proposed outdoor dining.
21. Aesthetics. Due to the Park City environment and storage of the decks over the years, the decks shall be maintained in a safe and high-quality manner. Prior to final installation and occupancy of each deck, the Tenant shall make sure that the structural members can adequately meet their original design and each deck shall look aesthetically pleasing.
22. Violations. The decks shall be in compliance with all County and State Health Orders in addition to Municipal Code § 11-19-3(H) regarding Prohibition Against Issuance of Municipal Permits. From the time that any Notice of Violation is given, the City may withhold permits for any alteration, repair or construction, which pertains to any existing or new structures or signs on the property or any permits pertaining to the use and development of the real property or the structure where a violation is located. The City may withhold permits until a

Notice of Compliance has been issued by the enforcement official. The City may not withhold permits that are necessary to obtain a Notice of Compliance or that are necessary to correct serious health and safety violations.
