

## PUBLIC NOTICE

DATE ISSUED: 09/06/2024

Please take notice of Park City Municipal Corporation's (PCMC's) intent to cancel the RSOQ completed for Bonanza Park 5-Acre site.

### Cancellation Notice:

After careful consideration, Park City Municipal Corporation (PCMC) has decided to cancel the Request for Statement of Qualifications (RSOQ), based on PCMC's determination that this action is in the best interests of the City.

In accordance with Utah Procurement Code 63G-6a-102 (1) and (2), PCMC is committed to maintaining a transparent and fair procurement process. During the RSOQ process, public discussions indicated that the RSOQ was not intended to limit the ability of additional vendors to submit proposals for the subsequent Request for Proposals (RFP) described in the RSOQ. These statements may have led vendors to refrain from participating in the RSOQ, believing they would still have the opportunity to submit proposals in response to the subsequent RFP, and proceeding with an RFP limited to a closed list of RSOQ respondents may undermine the goals of the solicitation.

We appreciate your understanding and continued engagement in PCMC's procurement activities.
