

Deliveries

Sundance Film Festival

January 23-February 2

Changes have been made to ensure pedestrian safety and reduce traffic circulating in the Old Town area during the Festival. ***Outlined below are changes that will affect deliveries to the Old Town area, Thursday, January 23-Monday, January 27:***

- All deliveries to Main Street and Swede Alley must occur between 3:00 a.m. and 10:00 a.m.
- Any deliveries made on Main Street between 10:00 a.m. and noon must follow the Red and Green Permit process by Parking Services and the Park City Police Department.
- Main Street will close to vehicles each day at noon.
- Do not double park.
- Idling is prohibited. Park City has an anti-idling ordinance (Ordinance 09-10).
- Delivery companies taking goods to venues that are rented out and modified specifically for Sundance must display a "Special Use of Parking" permit in their windshield during time of delivery. Please coordinate with the venue manager at the location that is accepting the delivery. Regular daily deliveries do not require "Special Use of Parking" permits.

Roadway adjustments/closures:

- **NEW THIS YEAR** | Main Street – from Swede Alley to 7th Street, will be pedestrian-only beginning at noon each day.
- Swede Alley – accessible with resident access passes or ADA placards only, beginning at noon each day.
- Hillside Avenue – accessible with a resident access pass only.
- Park Avenue – one-way northbound (downhill).

Read the Community Guide [here](#) and stay tuned for additional details.
