General Information

## About This Guide

This guide provides essential information for both Park City Transit and High Valley Transit, the two systems serving the Park City region, which includes Park City, the Wasatch Back, and the Heber Valley. You're currently reading the Park City Transit section of the guide right now. For High Valley Transit info, flip to the center of the booklet. Use the Regional Transit Map on the next pages to see how both systems seamlessly connect to offer fare-free service across the Park City region. Please note that information in this guide may change without notice—check each Transit's website for the most up-to-date details.

## Maps and Schedules

Use the Regional Transit Map or trip planning tools to find your route. Go to the individual route maps in this booklet for more info on hours of service, frequency, bus stop locations, and scheduled timepoints.

## How to Ride

Please plan to arrive at the bus stop five minutes early, before the bus is scheduled to leave. When the bus arrives, check the exterior displays on the front, rear, or side of the vehicle to make sure you're boarding the correct bus. These displays will list the route, direction of travel, important destinations, and the last stop on that route (e.g. a 1 Red bus traveling to Deer Valley Resort will display "Inbound - Main St - Deer Valley"). If you need a ramp to enter the bus, please enter through the front door. Otherwise, either the rear or front door may be used to enter the bus.

## Plan Your Trip

**Website:** Visit the Bus Tracker on our website at [go.parkcity.org](http://go.parkcity.org) and go to Trip Planning. Type in your starting point and destination to get step-by-step transit directions.

**App:** Open the Transit app on your mobile device and type your destination into the search bar. The app will give you multiple options to reach your destination and includes both Park City Transit and High Valley Transit bus routes.

**Maps:** Go to Google or Apple Maps and set the mode to 'transit' for step-by-step directions. Google/Apple Maps will provide service information for both Park City

## Bus Stops

For your safety and convenience, drivers prioritize picking up and dropping off passengers at designated bus stops. For Route 20 Tan, you can wave down the bus anywhere along its route in the Park Meadows neighborhood. The locations of all stops and transfer points are clearly marked in this guide and can also be found using the Bus Tracker or Transit app for real-time
