Park City Transit Rider's Guide

General Information

About This Guide

This guide provides essential information for both Park City Transit and High Valley Transit, the two systems serving the Park City region, which includes Park City, the Wasatch Back, and the Heber Valley. You're currently reading the Park City Transit section of the guide right now. For High Valley Transit info, flip to the center of the booklet. Use the Regional Transit Map on the next pages to see how both systems seamlessly connect to offer fare-free service across the Park City region. Please note that information in this guide may change without notice—check each Transit's website for the most up-to-date details.

Maps and Schedules

Use the Regional Transit Map or trip planning tools to find your route. Go to the individual route maps in this booklet for more info on hours of service, frequency, bus stop locations, and scheduled timepoints.

How to Ride

Please plan to arrive at the bus stop five minutes early, before the bus is scheduled to leave. When the bus arrives, check the exterior displays on the front, rear, or side of the vehicle to make sure you're boarding the correct bus. These displays will list the route, direction of travel, important destinations, and the last stop on that route (e.g. a 1 Red bus traveling to Deer Valley Resort will display "Inbound - Main St - Deer Valley"). If you need a ramp to enter the bus, please enter through the front door. Otherwise, either the rear or front door may be used to enter the bus.

Plan Your Trip

Website: Visit the Bus Tracker on our website at go.parkcity.org and go to Trip Planning. Type in your starting point and destination to get step-by-step transit directions.

App: Open the Transit app on your mobile device and type your destination into the search bar. The app will give you multiple options to reach your destination and includes both Park City Transit and High Valley Transit bus routes.

Maps: Go to Google or Apple Maps and set the mode to 'transit' for step-by-step directions. Google/Apple Maps will provide service information for both Park City Transit and High Valley Transit bus routes.

Bus Stops

For your safety and convenience, drivers prioritize picking up and dropping off passengers at designated bus stops. For Route 20 Tan, you can wave down the bus anywhere along its route in the Park Meadows neighborhood. The locations of all stops and transfer points are clearly marked in this guide and can also be found using the Bus Tracker or Transit app for real-time updates.

Guaranteed Ride Home

If you live or work in Summit County, you're eligible for our Guaranteed Ride Home (GRH) program. If you rode transit to get to work, this program reimburses your cost for a ride home in the event you need to leave unexpectedly or miss your ride home after working unexpected overtime. Other guidelines and requirements apply.

For more information, please visit GRH.parkcitytransit.org

While on the Bus

Please allow others to exit before boarding and use handrails to steady yourself on the way to your seat. Keep personal items with you at all times, and don't block aisles or exits. Priority seating areas are reserved for seniors and passengers with disabilities. For the safety of everyone on board, stand behind the white line and only talk to the driver while the bus is stopped. If you're unsure where your stop is, feel free to ask the operator, and they'll call it out for you. When you're ready to get off the bus, pull the yellow cord above the window to request a stop.

Winter 2024-25

hvtutah.gov

High Valley Transit rider's guide.

Welcome! We're so glad you're here.

High Valley Transit is the Wasatch Back's public transit network. We connect Wasatch, Salt Lake and Summit counties with several public transit modes all powered by technology.

Fixed route buses

Fixed route buses are high capacity buses that run on a fixed schedule and along the same route every-time. Eight run all day with wait times typically every 15-90 minutes and two connect to the basin with limited trips and stops.

Micro

Micro, short for microtransit, is an on-demand shared ride service running throughout the Snyderville Basin and the Heber Valley that allows you to book rides minutes before you travel. It works like a minibus that comes to you — book your ride in the HVT app and one of our custom branded vans will come right to you to pick you up.

Use the High Valley Transit mobile app to make the most of your time here.

If you're looking for the fastest, easiest way to get where you're going, we've got you covered.

The HVT app lets you:

- ✔ Plan your entire trip from start to finish — input your pickup and dropoff addresses and the app will tell you the fastest way to get where you're going (bus, Micro, or both).
- ✔ Get detailed instructions on how to get to a bus stop.
- ✔ View the real time location of your bus as it approaches.

Download the High Valley Transit app or call (435) 246-1538 to get started.

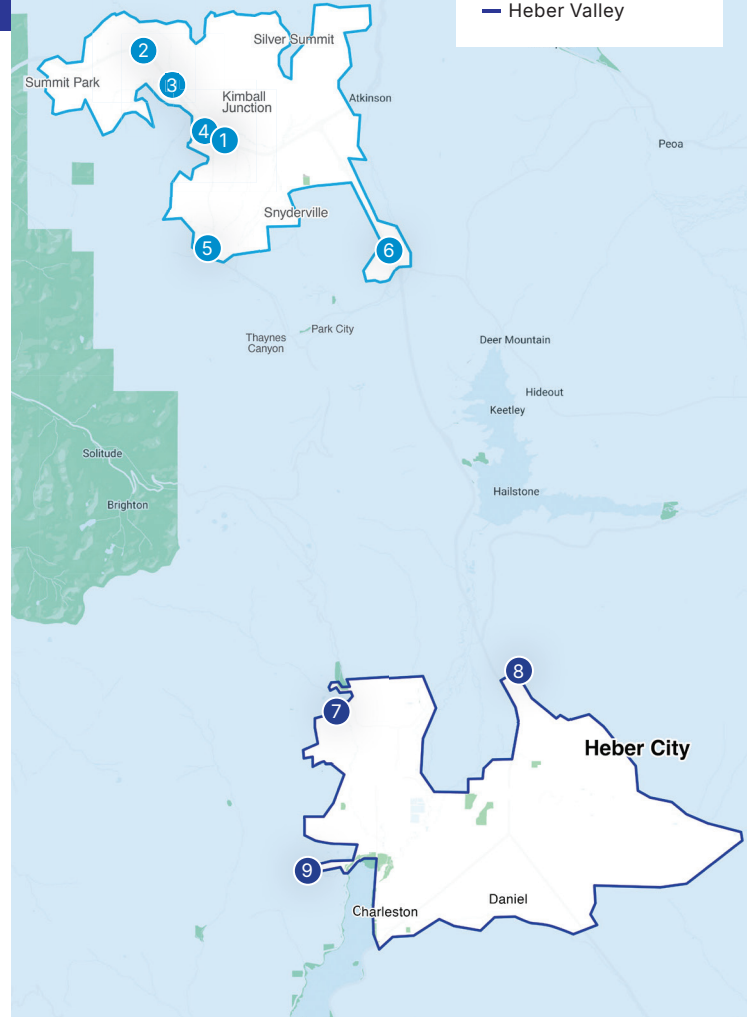

HVT is committed to making this information accessible to persons with disabilities. If you need alternative formats for our materials, please contact us at 435-246-1538.
