**PARK CITY LIBRARY PARTNERS WITH LEADERSHIP PARK CITY  
FOR OCTOBER LEADERSHIP DISPLAY IN LIBRARY**

---

**Park City, Utah – September 27, 2011** - The Park City Library is partnering with Leadership Park City throughout the month of October 2011 to present leadership materials – in hard copy – at the library. The exhibit is based upon a bibliography composed by Arlys Whitaker, a member of the Leadership Park City Class 16. Termed "*Your Virtual Mentor*," the bibliography, or online search engine, offers leadership-related items – current books and articles – that will be displayed in the library ranging from an introduction to leadership to advanced leadership study. Park City Library hours are Monday through Thursday, 10:00 am to 9:00 pm; Friday and Saturday, 10:00 am to 6:00 pm; and Sunday, 1:00 pm – 5:00 pm. For the most up to date information, check the library website at [www.parkcitylibrary.org](http://www.parkcitylibrary.org).

The Leadership Park City program, which just announced its eighteenth annual class, is guided by Myles Rademan, Park City's Public Affairs Specialist. "As these diverse materials illustrate, the study and practice of leadership is an ocean of cross currents and divergent views," Mr. Rademan stated. "There is no single best definition or unifying theory. It's always the fascinating intermingling of people, issues, circumstances and times that create and nurture leaders. "

The "*Your Virtual Mentor*" has been designed to be adaptable to a broad and diverse audience. With various educational textbooks, biographies of leaders, and articles drawn from contemporary literature, the overall display will inform the general public about examples of leadership in general. Ideally, young and old will learn more about leadership itself and may want to learn more and participate in the capacity as a leader. While this display shows the actual books and articles, the online search engine is available at [www.parkcity.org/Modules/ShowDocument.aspx?documentid=7024](http://www.parkcity.org/Modules/ShowDocument.aspx?documentid=7024). A quarterly addendum can be found at <http://www.parkcity.org/Modules/ShowDocument.aspx?documentid=7976>.

The goal of the display is to serve as an indirect recruitment initiative for the Leadership Park City program which selects a new class every September. The objective is to continue the positive feeling that Leadership Park City has engendered over the years. "Hopefully, these materials will give each person a glimpse into this ever fascinating, ever changing field of leadership exploration," added Myles Rademan.

Part of the Park City Library's mission is to provide information in a variety of formats that educates, inspires, and entertains as well as providing a welcoming environment for lifelong learning linking Park City to the world. The display is free and open to the public.
