# Transit Guide / System Map Park City / Summit County

The Transit map is laid out over an actual street map of the Greater Park City & Summit County area .

Each bus stop on our fixed route service is indicated as small a blue dot on the map. Major transfer points are large white circles with a red dot in the center.

Each route is numbered and color coded. The corresponding subdivision that a route travels through is identified with a color coded box containing information about bus service frequency and hours of operation. Landmarks and identifying areas of interest throughout Park City have been added to the Transit map to aid in locating destinations.
